HOW IT WORKS

Step 1:

A client sending us photos and a floor plan. Checking catalogs for the kitchen style is preferred.

Step 2:

Bricble making estimates according to the style preferences and varieties of design to see how it fits clients' budget/

Step 3:

When the client agrees with estimates, we sign the contract to make measurements, cad drawings, and elevations. At this stage, we are also finalizing all materials, accessories, and appliances chosen by the client. Finalizing quote according to chosen materials.

Step 4:

Signing a contract. The client making deposit payment - 60-70%. Bricble placing the order at the factory. The factory gives ETA for production and starts the production process.

HOW IT WORKS

Step 5:

According to the ETA, we are contacting the freight company and depositing money for a container on which your kitchen will be shipped to the USA port of entry (Newark).

Step 6:

When the kitchen arrives at the USA port of entry and is going through the customs clearance process. The client making the balance payment for the kitchen cabinets and 50% deposit for the installation. We are scheduling an installation team/cabinet delivery.

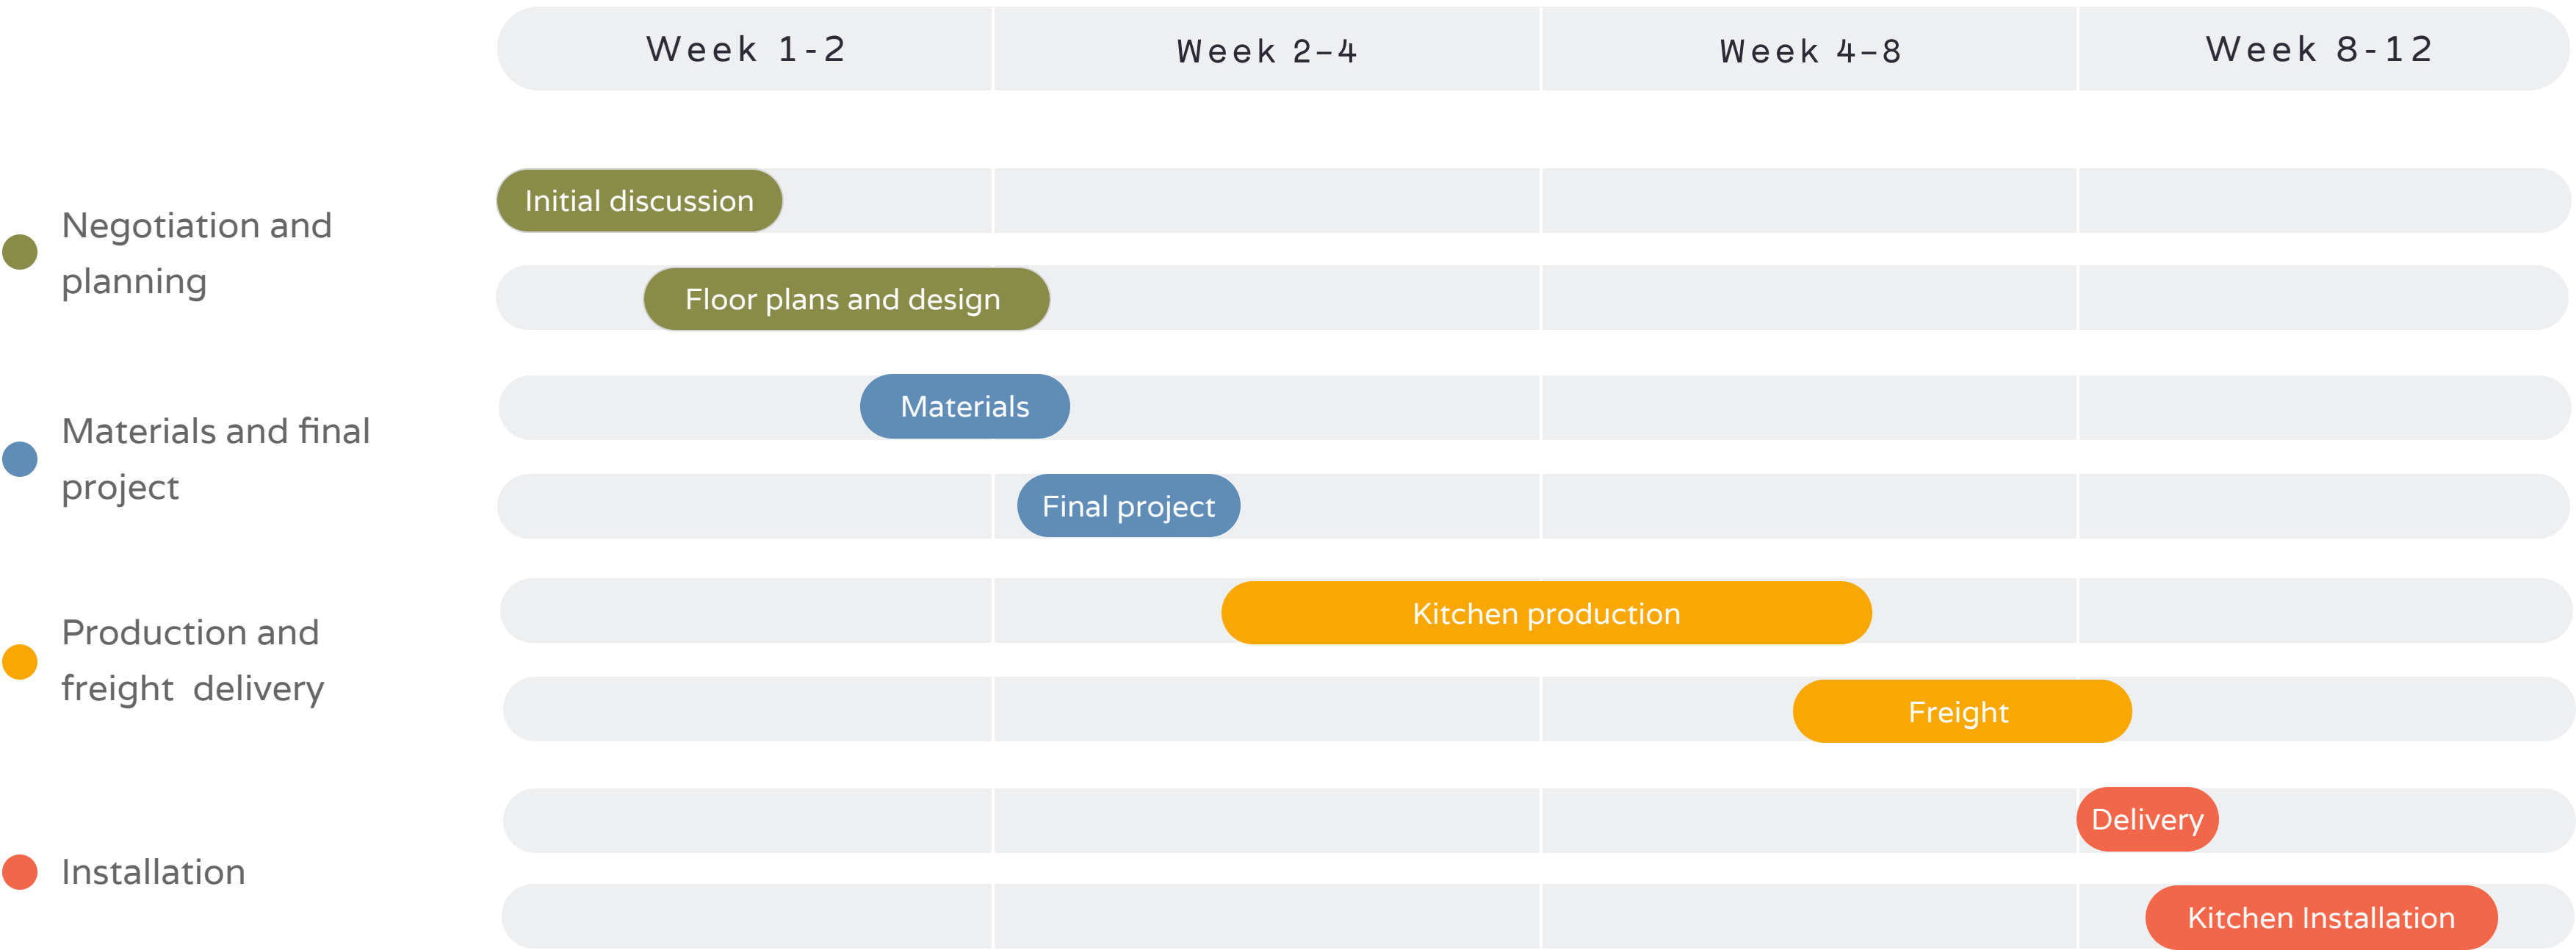

Step 7:

The Installation process takes 3-6 working days approx. Installations on weekends could be negotiated for additional cost.

Step 8.

Step 8. You have your perfect high-end bespoke kitchen done.
Installation balance payment.

A modern, open-plan living and dining area. In the foreground, a dark wood dining table is set with plates and glasses, surrounded by light-colored chairs. In the background, a kitchen with dark cabinets and a marble countertop is visible. To the right, a living area features a light-colored sofa, a low coffee table with chess pieces, and large floor-to-ceiling windows offering a view of a city skyline at dusk. A modern, multi-tiered pendant light hangs over the dining area.
