Why we created Flexy Global?

We have experience in running a business
and certainly understand your struggle

Finding a talented designer is difficult

Finding a responsible, reliable, and responsive
designer is even harder

If we can't take your project,
we say it from the start and
save your time

Our agency hired the best
talents of the market

For us, integrity and reputation
are very important

we don't charge a dollar over our agreed amount

If we do take your project,
we will deliver it in its highest
quality

How we work

Both plans include the work of Product/Project manager & Art Director by default

Product based

- Minimum number of sprints 2 sprints
- We become part of your team!
- Weekly sprints per designer

sprint price depending on the length of the project

Hourly based

- No commitment
- At least one week of commitment
- Any other plans are upon discussion.

We are flexible!
