Unsplash Account:  
42 million views  
260,000 downloads

## EDUCATION

### Regent University

Bachelor of Arts - Film and Television  
2013-2017

## QUALIFICATIONS SUMMARY

**Photography:** I possess extensive knowledge and experience in various photography techniques, including composition, lighting, and post-processing. My expertise in using professional-grade cameras and equipment allows me to capture stunning images that meet the needs and requirements of clients. I have an eye for detail, a creative approach, and excellent interpersonal skills that enable me to work effectively with clients and subjects.

**Video Production:** I have wide-ranging knowledge of film and video projects from inception to production to completion and delivery. I am effective at organizing and coordinating shoots and I have worked with all kinds of professional equipment and software. I have the ability to write and edit scenes, treatments, and scripts. I am also adept in film and sound editing and design. I have a deep understanding of lighting and camera work, which allows me to create visually engaging videos that capture the essence of the project at hand.

## EXPERIENCE
