

Materials

Parts:

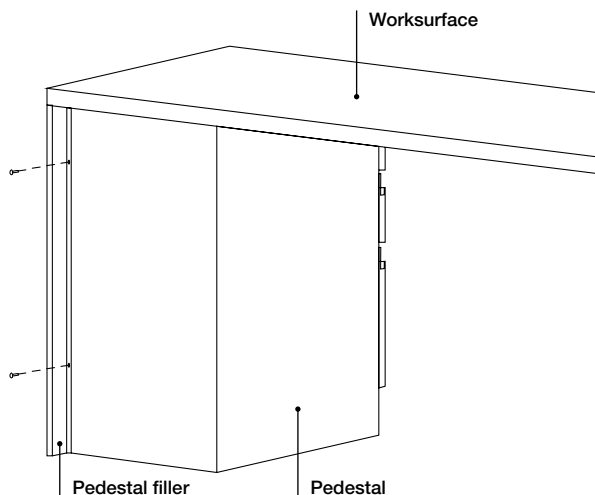

- 5/16 Self drilling screws (2)

Product Details

Our storage solutions are constructed with heavy gauge steel for quality, durability and long life cycle. We offer a multitude of configurations, fully extendable drawers, and a wide array of powder coating paints to choose from.

Pedestal File Filler

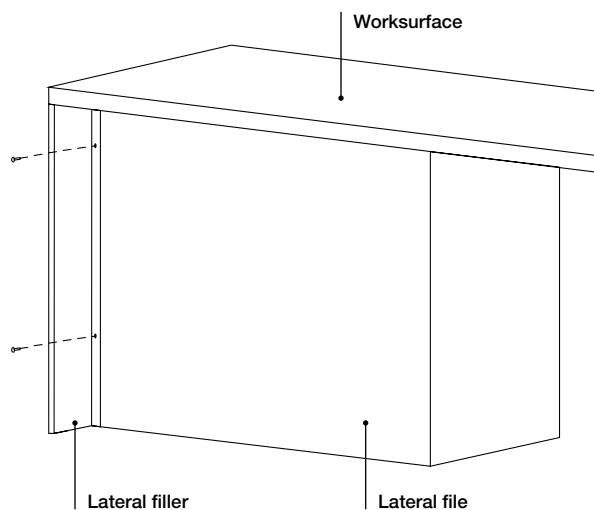

- Pedestal filler 2" W x 26-3/4"H
- Designed to fill the space between the back of the pedestal and a panel or wall.
- Fillers are painted to match pedestal.

Lateral File Filler

- Lateral file filler 6"W x 26-3/4"H
- Designed to fill the space between the back of a 2 drawer lateral file and a panel or wall.
- Fillers are painted to match lateral file.

Note: The lateral file filler is made for two drawer laterals only.

Installation Instructions

Line the filler up with the outside of the pedestal. Using the (2) 5/16 self drilling screws provided, secure the filler to the pedestal.
