Education

Rhode Island School of Design

B.F.A Industrial Design | GPA 3.84/4.0 | Honors Student

Sep.2016–Jun.2020

Work Experience

Xiaomi Technology UX Designer

Nov.2020–Jul.2022 | 1yr 9months | Beijing, China

- Led the 0–1 design of Xiaomi Smart Share PC, a cross–device sharing tool featured in Xiaomi’s mobile OS MIUI12.5, reached 40k daily active user in 1 year.
- Contributed to the creation and maintainance of a multi–platform design system across mobile phone, foldable phone, tablet and PC used by 100+ designers.
- Designed, prototyped for and carried out usability tests for 5+ new features in MIUI14, including the new widget store, app folder and sizable launcher icon.
- Organized interdisciplinary design thinking workshop to envision new design for MIUI15 and beyond.

Flourish Fund UX/UI Designer

Jun.2020–Nov.2020 | 5 months | Providence, RI

- Completed 0–1 design of the Flourish Fund website, an online platform that encourages families and friends to order local postpartum services for moms.
- Instilled insights from 15+ user interviews with moms at different pregnancy stages.
- Conducted usability test with 10+ users and made design iterations.

TEAMS Design Interaction Design Intern

Jun. 2019–Sep. 2019 | 3 months | Shanghai, China

- Wireframed and prototyped for an agency–client communication tool.
- Designed and conducted usability test for appliance control panel with external clients Bosch and Hitachi.

PinOn.Inc Visual Designer

Jun. 2018–Dec. 2018 | 6 months | Boston, MA

- Delivered wireframe, 3D assets and UI for a mobile AR basketball game.
- Delivered UI and branding of a location–based social media mobile application.

Exhibition & awards

fofo

RISD Industrial Design Triannel Show

- A reconfigurable pour–over coffee set that encourages social engagement in the workplace.

The Bob O’Neal Award

RISD Industrial Design Department

- This award recognizes a student who has demonstrated consistently strong performance, resourcefulness and diligence in developing ideas that meet creative design solutions.

Reachability map for foldable phone

MIUI Annual Design Award

- A heatmap that visualizes desirable, intermediate and difficult areas to click on foldable devices, a crucial ergonomic guideline for Xiaomi’s brand new foldable device design system
