Brand Guidelines

The story behind us

Our story is simple, we wanted to create a fashion brand that is more than just fashion. A brand that speaks to everyone, at every age catering to each individual's personal taste, for every size, color and age. All without sacrificing **comfort, style and most of all high quality.**

Our brand is inspired by nature, made of nature most comfortable materials.

It's that simple.

Our mission

Is to introduce comfort and style in one package to our customers in the highest

Our vision

Is creating a brand that offers more than just fashion to the world, we want to offer the confidence they need on their

Confidence

We want when our customers to get the confidence they need, to get inspired, every single time they open their closet.

Taking chances

When you know for a fact that you are comfortable in your own skin, and you waste no time on the little things that could interrupt your flow, you dress up, and you go out there and you take the chances. This is what our brand aspire to.

Simplicity

The most luxuries things in life are the most simple, because within simplicity comes sophistication and within sophistication comes quality.

All natural

Nothing beats nature, and with products inspired by nature and made from all natural materials, you feel comfortable and unbeatable.

Our persona

“Fashion is a speechless
statement.”

1. Create Concept and moodboard: Start by brainstorming the concept and creating a mood board that includes the brand's aesthetic, inspiration, and desired mood for the shoot. This will help guide the entire shoot and ensure everyone is on the same page.

2. Location scouting: Choose a location that complements the brand's inspiration and aesthetic. Consider a place that has natural elements like a park, beach, or forest.

3. Model casting: Select models that embody the brand's values and aesthetics. Ensure the models are comfortable with the brand's style of clothing and can bring the desired emotion to the shoot.

4. Equipment needed:

Camera and lens

Tripod

Reflector or diffuser

Lighting equipment (if shooting indoors or in low light)

Props (such as flowers, greenery, or other nature-inspired elements)

Clothing steamer.

5. Hair and makeup: Choose hair and makeup that complement the brand's aesthetic and the shoot's overall theme.

6. Wardrobe: Select clothing pieces made of linen that fit the brand's style and inspiration. Choose a color palette that works well with the location and model's features. Preferred timing for the sessions: Choose a time when the natural light is most flattering, which is typically during the golden hour (the hour before sunset). Check the weather forecast to ensure there is no rain or harsh sunlight.

7. Pose and direction: Provide clear direction to the models and ensure they are comfortable and relaxed. Encourage natural movements and interactions with the environment. Editing: Choose a post-processing style that complements the brand's aesthetics and creates a cohesive look. Final touch-up: After editing, perform final touch-ups and ensure the images meet the brand's requirements and standards.

All rules of the Look-Book guide applies, however, a key note to keep in mind is all location chosen for the Life Story sessions, must be **nature inspired**.

The image shows the exterior of a JI&ZI store. The main sign is a large, black, rectangular panel mounted on the building's facade. It features the JI&ZI logo, which consists of a stylized 'S' shape formed by two interlocking loops, followed by the brand name 'JI&ZI' in a clean, sans-serif font, and the tagline 'FASHION & MORE' in a smaller font below it. The building has a white facade with arched windows and a balcony with a black metal railing. A smaller version of the sign is visible on a lower part of the building.
