WHAT OUR TRAINEES SAY ABOUT US !!!

" Anyone who has never heard the word software testing, has given this training can easily grasp all the topics. This training program cleared all my concepts. All the credit goes to the trainers. I feel blessed to be trained by MoolyaEd faculties! "

Astha Jain

- Trainee' 2021

I'm thankful to Moolya for such an amazing initiative that added value to my journey as a tester. I loved the way the training was imparted. The trainers made. learning enjoyable and intellectual. Every assignment and project was very accommodating. I'm pretty excited to take forward my journey with Moolya!

Nomit Vyas

- Trainee' 2021

I'm highly impressed with the culture at Moolya and the training it imparts! I had taken some courses in software testing already, but this training program sharpened my skills; I learned many new tools and techniques I wasn't familiar with. I can blindly recommend this program to anyone who is passionate about software testing.

Venugopal

- Trainee' 2021

Before enrolling myself in it, I thought it would give us just the basic idea of software testing. But, our trainers elaborated on every concept and technique in great detail. And, I feel upgraded now! At times, we got a chance to work on some real projects that helped us grasp how software testing works on an industrial level. Honestly, it was invaluable!
