

The North Lake Tahoe Express airport shuttle is excited to announce service improvements coming September 2023. The North Lake Tahoe/Truckee region is one of the most sought-after destinations for outdoor enthusiasts and nature lovers. Recognizing the growing demand for reliable and hassle-free transportation options, the North Lake Tahoe Express airport shuttle is upgrading services to exceed customer expectations and enhance the overall travel experience for travelers between the Reno Tahoe International Airport and Truckee and North Lake Tahoe.

Key features and benefits of the enhanced North Lake Tahoe Express service include:

- **Improved Website:** We are excited to announce that our website will have a fresh new look, making it easier to navigate and make your reservation for the North Lake Tahoe Express airport shuttle. The website will feature multiple options for making your reservation, including a link to the new North Lake Tahoe Express app, an online reservation option, and a phone number. These options allow you to conveniently book your shuttle, ensuring you have a confirmed seat for your desired travel dates and times and eliminating the requirement for advanced bookings.
- **Real-Time Tracking:** We understand the importance of being informed about your shuttle's arrival and departure times. That's why we are introducing the North Lake Tahoe Express app, featuring a real-time tracking system for the North Lake Tahoe Express airport shuttle. With the app, you can easily track your shuttle's location and estimated arrival time and receive service updates, ensuring you can confidently plan your journey.
- **Expanded pick-up and drop-off locations:** The new system allows pick-ups and drop-off locations outside of our preselected lodging properties for an additional price, allowing riders to use the service to connect to a rental property, home, or other desired destination.

The North Lake Tahoe Express airport shuttle invites residents and visitors to experience the enhanced services and discover the unparalleled beauty of the North Lake Tahoe/Truckee region with the utmost convenience and comfort. Download the app now to prepare for the September launch!
