A. Important information

These Spriggy Terms and Conditions were last updated on 2 August 2024.

Please read the information below and these Terms carefully before accessing or using the Spriggy Website and the Spriggy App in connection with the Spriggy Pocket Money Products and Services (each a Site, and together the **Sites**). Please contact us if you have any questions.

1. About Spriggy

Rivva Pty. Ltd. (ABN 86 603 542 918) (**Spriggy**) is the operator of the Sites, and holds an Australian Financial Services Licence, number 513762. Spriggy also distributes and promotes the Parent Wallet and the Prepaid Card.

The Sites are owned and operated by Spriggy. However, the financial products which are promoted or operable through the Sites are not issued by Spriggy.

2. About Indue

Indue Ltd (ABN 97 087 822 464) (**Indue**) is the issuer of the Parent Wallet and the Prepaid Card. Indue is an “authorised deposit-taking institution” under the Banking Act 1959 (Cth) and holds an Australian Financial Services Licence, number 320204. Indue is also a member of the Visa scheme.

Indue is responsible for the PDS for the Parent Wallet and the Prepaid Card. You can access this PDS at www.spriggy.com.au/terms. You enter into a separate contractual relationship with Indue when you acquire a Parent Wallet and a Prepaid Card. The PDS prevails in the event of any inconsistency between information on the Sites and information contained in the PDS. You agree the PDS and any other information relating to the financial products may be provided to you electronically.

Spriggy may distribute or promote other financial products which are issued by other product issuers from time to time. The details of these issuers will be set out in the relevant PDS for those products.

3. The Sites

The Sites provide general information only and do not constitute a recommendation to buy, or an offer or solicitation to sell, any financial product, including in respect to the Parent Wallet and the Prepaid Card. The Sites have been prepared without taking into account the objectives, financial situation or needs of any person. You should consider the relevant product disclosure statement and target market determination and obtain appropriate professional advice before making any financial decision, including in relation to the Parent Wallet and the Prepaid Card.

4. About the Terms

These Terms govern the access and use of the Sites by the Parent, Additional Parent User and Child in connection with the Spriggy Pocket Money Products and Services.

These Terms form a legal contract between you and Spriggy in relation to your use of the Sites for these purposes. It is important that you read and understand them before using the Sites.

It's important to note that these Terms only govern your access and use of the Spriggy App and Spriggy Website in connection with the Spriggy Pocket Money Products and Services. If you also sign up for 'Spriggy Mobile' products and services, which may be offered to you via part of the Spriggy App, these are separate products that are issued by a separate third party provider, and different terms and conditions govern those products and services and your use and access of the Spriggy App for those purposes – you can see these at www.spriggymobile.com.au/terms.

5. Fees

The fees and charges connected with the use of the Sites in connection with the Spriggy Pocket Money Products and Services are set out in section B.2. By registering for the Site, you agree to pay any related fees and charges to Spriggy as set out in these Terms. You should be aware that if you fail to pay an applicable fee by the due date, and you haven't remedied this within 14 days of us notifying you, we may restrict your use of the Sites in accordance with section B.3 below.

B. Terms

1. General terms

By registering for the Sites, the Parent and any Additional Parent User accepts and agrees to be bound by these Terms (as amended from time to time) (the **Terms**).

These Terms continue to apply until this agreement is terminated in accordance with section B.3. For each Child, the Parent agrees that they will provide the Child with a copy of these Terms (and any updates Spriggy makes to the Terms that are notified to you from time to time), and take reasonable steps to:

- explain the effects of these Terms to the Child; and
- ensure that the Child understands the Terms and agrees to abide by these Terms.

The Parent acknowledges and agrees that it is responsible for the Child's use of the Sites. If you do not agree to these Terms, then you or any Child must not access or use the Sites.

A Parent or Additional Parent User must be 18 years of age or older to register for the Sites. You will only be able to use the Spriggy App if:

- you are an Australian resident;
- you are accessing a compatible version of the Spriggy App on a compatible device; and
- you successfully completed the registration process for the Spriggy App (including accepting these Terms and setting a password).

From time to time, Spriggy may (acting reasonably) notify you of the minimum device, operating system and/or app version requirements that are needed in order to use the Spriggy App. You agree that:

- you are responsible for ensuring that you meet these requirements (for example, by updating to the latest version(s) of the Spriggy App);
- after providing reasonable advanced notice to you, Spriggy may block the use of the superseded version(s) of the Spriggy App; and
- where Spriggy has provided reasonable advanced notice to you, Spriggy will not be liable for any loss, damage, cost or expense (whether direct or indirect) incurred by you in connection with Spriggy blocking the use of superseded versions(s) of the Spriggy App.

Limitation of liability

You and any Child use the Sites at your and the Child's own risk. Subject to any terms implied by law and which cannot be excluded, Spriggy does not warrant or represent that the information on the Sites are free from errors or omissions or are suitable for your intended use; Spriggy also accepts no responsibility for any loss, damage, cost or expense (whether direct or indirect) incurred by you as a result of:

- your access, use, or inability to access or use, or any reliance on, the Sites;
- any third party content, products, services and/or information available on the Sites;

- any error, omission or misrepresentation in any information on the Sites;
- the Sites being unavailable or any functionality of the Sites being restricted or impaired; or
- any system, server or connection failure, error, omission, interruption, delay in transmission, problem with your electronic device, or computer virus or other malicious, destructive or corrupting code that is beyond our reasonable control.

To the maximum extent permitted by law, our total liability to you (if any) for loss, damage or reliance will be limited, at our election, to:

- in the case of information or services supplied or offered by us for a fee – the resupply of the information or services or payment of the cost of doing this. To the maximum extent permitted by law, we accept no, and exclude all, liability for information or services supplied or offered by us for free;
- in the case of goods supplied or offered by us for a fee – repair or replacement of the goods, supply of equivalent goods, or payment of the cost of doing this. To the maximum extent permitted by law, we accept no, and exclude all, liability for goods supplied or offered by us for free.

2. Fees and charges

The fees and charges connected with the use of the Sites are set out below. By registering for the Sites, you agree to pay any related fees and charges as set out in these Terms.

Annual Spriggy Membership Fee

You agree to pay the applicable Annual Spriggy Membership Fee to Spriggy in relation to your use of the Sites as set out below.

Spriggy may waive the Annual Spriggy Membership Fee in whole or in part and from time to time at our discretion. By registering for the Sites, you agree that any terms and conditions which apply to an applicable offer or a promotion by Spriggy will apply in addition to these Terms.

Pricing Tiers

Unless we otherwise agree with you, the Annual Spriggy Membership Fee applies to the Parent as follows:

Pricing Tier	Annual Spriggy Membership Fee (\$AUD)
Multiple Children Pricing Tier	\$78 per Parent (with between two (2) and six (6) Children)
One Child Pricing Tier	\$60 per Parent (with up to one (1) Child)

Spriggy may agree with you to enable you to add more than six (6) Children under the Multiple Child Pricing Tier. In order to add more than six (6) Children under the Multiple Child Pricing Tier, you will need to contact Spriggy.

See details on when and how these fees are payable in the “Annual Spriggy Membership Fee payment dates”, “Moving up Pricing Tiers” and “Moving down Pricing Tiers” sections below.

Annual Spriggy membership fee payment dates

Free trial period

If we have agreed that the Parent will have an initial free trial period, the free trial period will apply as set out in the table below:

Free trial period
If we have agreed that the Parent will have an initial free trial period, this free trial period will commence on the date on which all the following have been satisfied: - the Parent has registered for the Sites; - the Parent holds a Parent Wallet and has added a Connected Account; and - the Parent has received and activated at least one Prepaid Card.

Important! Any free trial period only applies in relation to the Annual Spriggy Membership Fee. It does not apply to any other fees and charges in relation to the Parent Wallet and Prepaid Card including fees and charges applied by Indue. See the PDS for details of these fees and charges.

First Annual Spriggy Membership Fee payment

The first Annual Spriggy Membership Fee will be due and payable in advance on the Fee Payment Date, as set out in the table below.

Fee Payment Date
The first Annual Spriggy Membership Fee will be due and payable on the date (the Fee Payment Date): - if we have agreed that the Parent will have an initial free trial period, the day after the last day of the free trial period; or - if we have not agreed that the Parent will have an initial free trial period, the date on which all of the following have been satisfied: - the Parent has registered for the Sites; - the Parent holds a Parent Wallet and has added a Connected Account; and - the Parent has received and activated at least one Prepaid Card.

On the Fee Payment Date, the Parent will be charged the applicable Annual Spriggy Membership Fee.

For details on how to activate the Prepaid Card, refer to the Product Terms and Conditions.

Subsequent Annual Spriggy Membership Fee payments

The subsequent Annual Spriggy Membership Fees will be due and payable in advance on the Renewal Fee Payment Date, as set out in the table below.

Renewal Fee Payment Date

On each subsequent anniversary of the Fee Payment Date (each a **Renewal Fee Payment Date**), the applicable Annual Spriggy Membership Fee will be due and the Parent will be charged the fee, but only if there is at least one activated Prepaid Card associated with your Parent Wallet, and that Prepaid Card has not reached its Expiry Date (the **Billing Conditions**). To avoid doubt, if a Prepaid Card has been replaced, the relevant card is the new (replacement) Prepaid Card.

If there isn't at least one Prepaid Card that is activated and not expired on a Renewal Fee Payment Date, the Annual Spriggy Membership Fee will not be due and Spriggy will not charge the fee unless and until these Billing Conditions have been met. On the date that the Billing Conditions are met:

- the applicable Annual Spriggy Membership Fee will be due on that date; and
- this date will become the new Renewal Fee Payment Date and subsequent Renewal Fee Payment Dates will be the subsequent anniversaries of this date.

To be clear, as long as one of the Prepaid Cards is activated and not expired on the Renewal Fee Payment Date, the Parent will be charged the applicable Annual Spriggy Membership Fee, regardless of whether any of the other Prepaid Cards held by any of their other Child(ren) (if applicable) are not activated or have expired.

Moving up Pricing Tiers

If a Parent on the One Child Pricing Tier adds a second or more Child(ren), on the date that you add the second or more Child(ren):

- the difference between the Annual Spriggy Membership Fee under the One Child Pricing Tier and the Annual Spriggy Membership Fee under the Multiple Children Pricing Tier (**Adjustment Fee**) is due and payable to Spriggy;
- the Multiple Children Pricing Tier will apply to you and the applicable Annual Spriggy Membership Fee will be payable annually on the Renewal Fee Payment Date in accordance with the "Subsequent Annual Spriggy Membership Fee payments" section above; and
- Spriggy will charge the Adjustment Fee on this date.

The amount of the Adjustment Fee payable at that time will be pro-rated, depending on the date that the second or more Child(ren) is added with reference to the most recent Fee Payment Date or Renewal Fee Payment Date (as applicable).

How is the pro rata fee calculated and charged? See the examples below:

- If you register one (1) Child for the Sites, the One Child Pricing Tier applies to you and the Annual Spriggy Membership Fee is \$60.
- If you add a second Child, the Multiple Children Pricing Tier applies to you and you will need to pay the Adjustment Fee of \$18, which is applied pro rata at the time you add the second Child.
- If you add the second Child six months after the Fee Payment Date (ie, halfway into your first Spriggy membership year), you will only need to pay \$9 at that time. This is because you're paying the pro rata Adjustment Fee for the Multiple Children Pricing Tier for the

six months remaining in that annual membership period (\$18 divided by two equals \$9). For so long as you have two (2) or more Children registered for the Site, on the Renewal Fee Payment Date and annually thereafter, you will need to pay \$78 (this is the Annual Spriggy Membership Fee under the Multiple Children Pricing Tier) - see “Subsequent Annual Spriggy Membership Fee payments” above.

Moving down Pricing Tiers

If a Parent on the Multiple Children Pricing tier removes one or more Child(ren) such that only one (1) Child remains registered for the Sites, on the date that only (1) Child remains registered for the Sites, the One Child Pricing Tier will apply to you and the applicable Annual Spriggy Membership Fee will be payable annually on the Renewal Fee Payment Date in accordance with the “Subsequent Annual Spriggy Membership Fee payments” section above.

Parents who registered for the Sites before 13 December 2023

If you registered for the Sites before 13 December 2023, additional terms apply to you as set out in the table below.

The purpose of these additional terms is to govern which Pricing Tier applies to you, as well as how and when you will first be billed under the applicable Pricing Tier, as at 18 March 2024.

Pricing Tier	Additional terms
Per Child Pricing Plan	If you registered for the Sites before 13 December 2023, and you are a Parent under the “Per Child Pricing Plan” described in the Previous Terms, then as at 18 March 2024 the Pricing Tiers will apply to you as follows: • if you have one (1) Child as at 18 March 2024, the One Child Pricing Tier will apply to you; or • if you have more than one (1) Child(ren) as at 18 March 2024, the Multiple Children Pricing Tier will apply to you. However, you will not be charged the applicable Annual Spriggy Membership Fee under the Pricing Tier until the earlier of (the Charge Date): • the Fee Payment Date or Renewal Fee Payment Date (as applicable) for your Child under the Per Child Pricing Plan, on or after 18 March 2024; or • if you have more than one Child(ren), the first occurring Fee Payment Date or Renewal Fee Payment Date for a Child under the Per Child Pricing Plan, on or after 18 March 2024. On the Charge Date (which will be taken to be your Renewal Fee Payment Date going forward), the applicable Annual Spriggy Membership Fee will be due and payable to Spriggy provided the Billing Conditions are met. However, if you have multiple Children, the following treatment will apply on the Charge Date: • if you have already paid one or more \$30 Annual Spriggy Membership Fee(s) under the Per Child Pricing Plan in respect of the then-current billing period for a Child(ren), in accordance with the Previous Terms; and • did not receive the full 12-month Spriggy membership period for that Child(ren), Spriggy will apply a pro rata credit(s) against the applicable Annual Spriggy Membership Fee under the Pricing Tier as follows: • pro rata credits are calculated based on the time remaining in that billing period for the relevant Child; and • if the total pro rata credit(s) exceeds the applicable Annual Spriggy Membership Fee that is due, no Annual Spriggy Membership Fee will be payable for that year and any remaining credit will be applied to the subsequent year(s).

Family-Based Pricing Plan	If you registered for the Sites before 13 December 2023, and you are a Parent under the Family-based Pricing Plan described in the Previous Terms, then as at 18 March 2024 the Pricing Tiers will apply to you as follows: • if you have one (1) Child as at 18 March 2024, the One Child Pricing Tier will apply to you; or • if you have more than one (1) Child(ren) as at 18 March 2024, the Multiple Children Pricing Tier will apply to you, but you will not be charged the applicable Annual Spriggy Membership Fee until the Renewal Fee Payment Date provided the Billing Conditions are met.
---------------------------	--

Paying your fees and charges to Spriggy

All fees and charges under these Terms are inclusive of GST. The Parent agrees to pay the fees and charges and is responsible for the payment of those fees and charges. You agree to complete any necessary direct debit forms we reasonably require in relation to these fees and charges.

Spriggy will deduct the applicable fees and charges under these Terms from the Connected Account on the due date, or a date after the due date as reasonably advised to you in writing by Spriggy. You should make sure that you have sufficient funds in your Connected Account for us to debit your fees on the relevant due date, Fee Payment Date or Renewal Fee Payment Date (as applicable). Any failed attempts to debit your fee may result in a dishonour fee from the provider of your Connected Account (such as your bank, this is not charged by Spriggy). If you do not pay the fees on the due date, we may continue to attempt to debit your Connected Account until the fee has been paid. Spriggy may agree with you to receive payment via an alternative payment method.

Additional Parent Users

The appointment of any Additional Parent User by the Parent will not incur any additional fees payable to Spriggy by that appointing Parent or that Additional Parent User. To avoid doubt, if a Prepaid Card is issued to one or more other Child(ren) at the request of an Additional Parent User, that Additional Parent User will be the ‘Parent’ for those Children for the purposes of these Terms and will be liable for the Annual Spriggy Membership Fee as set out in this section B.2.

Other information about fees

If you consider that Spriggy has incorrectly charged a fee or charge, then you may contact Spriggy to discuss this. See section B.9 for information on how to contact us or make a complaint. We will reverse or refund any incorrect fee or charge.

Spriggy may change or introduce new fees or charges in the future. If we do, we will update the version of these Terms available at www.spriggy.com.au/terms and notify you if we are required – refer to section B.10 for information on how we may make changes to these Terms and when we will notify you of any such changes.

Using the Sites on a mobile device may incur fees charged by your mobile service provider for downloading and using the Spriggy App. Any such fees are your sole responsibility and any matters regarding such fees should be raised with your mobile service provider.

Fees charged by the product issuer

Fees that Indue charges as the issuer of the Parent Wallet and Prepaid Card are detailed in Indue’s PDS. You can view the PDS at www.spriggy.com.au/terms.

For financial products issued by other product issuers, you should refer to the relevant PDS or terms and conditions for the applicable fees and charges.

3. Suspension and termination

Termination of this agreement by you

You can terminate this agreement at any time by giving Spriggy notice in writing, via the Sites or by telephone. If you terminate this agreement or cancel the Parent Wallet within 90 days of the Annual Spriggy Membership Fee being charged, you may request a full refund of the fee by contacting Spriggy. Otherwise, if you terminate or cancel at any other time, the Annual Spriggy Membership Fee will be non-refundable, and you will not be entitled to receive a refund of the fee unless we otherwise agree.

Effect of terminating this agreement on the Parent Wallet and Prepaid Card

The Parent Wallet and Prepaid Card can only be operated by the Spriggy App. If this agreement is terminated by you, you and your Child(ren) will no longer have access to the Sites, and your Parent Wallet and the Prepaid Card(s) will automatically be cancelled by Indue in accordance with the PDS and Product Terms and Conditions which are available at www.spriggy.com.au/terms.

Effect of cancelling a Prepaid Card and/or the Parent Wallet

If you want to cancel the Parent Wallet and/or a Prepaid Card(s), you should contact Spriggy or Indue in accordance with the PDS and Product Terms and Conditions available at www.spriggy.com.au/terms.

If the Parent Wallet is cancelled in accordance with the PDS, this agreement will also terminate at that time.

If you cancel one or more Prepaid Card(s) (but you do not terminate this Agreement nor cancel the Parent Wallet), the Annual Spriggy Membership Fee is not refundable in whole or in part in respect of that cancelled Prepaid Card(s).

If you cancel a Prepaid Card and/or the Parent Wallet, applicable fees and charges charged by Indue will still apply (such as the cancellation fee upon cancellation of the Parent Wallet) and any remaining value will be dealt with in accordance with the PDS and the Product Terms and Conditions which are available at www.spriggy.com.au/terms.

Effect of termination or suspension on Spriggy Mobile Products and Services

The Spriggy Mobile Products and Services are separate to these Terms.

If you hold Spriggy Mobile Products and Services, termination of this agreement or suspension pursuant to this agreement will not affect the Spriggy Mobile Products and Services held by you and, to the extent applicable, you will continue to have access to the Spriggy Mobile Products and Services and the Spriggy Mobile Sites in accordance with the applicable terms and conditions (see www.spriggymobile.com.au/terms).

Suspension by Spriggy

You acknowledge and agree that (acting reasonably) we may restrict your access to the Sites at any time without notice to you if:

- you breach any of the general prohibitions under B.8 below;
- you materially breach any other provision under these Terms;
- you fail to pay the Annual Spriggy Membership Fee and/or the Adjustment Fee by its due date and this non-payment is not remedied by you within 14 days of us providing notice;
- we reasonably suspect fraudulent or illegal activity in connection with your use of the Sites;

- you refuse to cooperate in an investigation, payment or other verification activity or provide adequate identification documentation where reasonably requested;
- we consider in our sole discretion that your use of the Sites poses a material security, credit, business or fraud risk to Spriggy; or
- any event occurs which has the effect of making or declaring it unlawful for Spriggy to offer the Sites in accordance with these Terms,

including that we may suspend your access to top-up your Parent Wallet from within the Spriggy App.

Further information regarding termination or suspension

Termination or suspension does not release either party from any existing obligations or from any liabilities for any breach of any of the terms of this agreement. Rights under this agreement can only be waived in writing, such waiver not to affect the waiving party's rights or entitlements in respect of subsequent breaches. Failure to compel performance shall not be construed as a waiver.

4. Use of payment service providers

You may provide instructions via the Spriggy App for one-off, scheduled or other regular top-up debits to be made using the Payment Service Providers by direct debit from your Australian financial institution or using an Australian Visa or Mastercard debit card, so that the funds can be loaded onto your Parent Wallet by Indue.

The Payment Service Provider acts as a direct debit service provider for Spriggy and will act on the instructions you provide in the Spriggy App. By providing these instructions, you:

- authorise and agree to the funds being deducted against the nominated Connected Account on the terms of the applicable direct debit request and direct debit service agreement;
- warrant that you are an authorised signatory to the nominated Connected Account;
- warrant that you have authority to establish the direct debit request arrangements; and
- agree that the use of the Payment Service Provider is subject to any terms and conditions that may be imposed by that Payment Service Provider from time to time.

You are responsible for the instructions you provide in the Spriggy App. Top-ups using an Australian Visa or Mastercard debit card should appear in your Parent Wallet almost instantly, but it can take up to a few minutes. For top-ups by direct debit from your Australian financial institution bank account, it can take up to 5 business days for the funds to be received in your Parent Wallet. Occasionally it may take longer than this; Spriggy is not responsible for delays in crediting the funds to your Parent Wallet.

You are liable for any fees or charges that may be imposed by the provider of your Connected Account. You should make sure that you have sufficient funds in your Connected Account. Any failed attempts to debit your Connected Account may result in a dishonour fee from the provider of your Connected Account (such as your bank, this is not charged by Spriggy).

You may update or change your nominated Connected Account at any time in the Spriggy App.

Payments made using one of the Payment Service Providers may not be credited to the Parent Wallet by Indue:

- if the Parent Wallet has reached an applicable load limit (as set out in the PDS) or otherwise in accordance with the PDS and applicable product terms and conditions which are available at www.spriggy.com.au/terms;
- if you have provided incorrect or invalid payment details;

- if there is a reasonable suspicion of fraudulent activity; or
- if required to comply with any applicable law.

The funds may be sent back to the nominated payment method without notifying you if any of the above applies.

5. Privacy

In order to provide you with access to the Sites, Spriggy may need to collect personal information about you and/or any Child. If you do not provide the requested information or agree to the handling by us of your personal information in accordance with our Privacy Policy, we may be unable to provide the Sites to you.

Any personal information that we collect in connection with your access to the Sites or otherwise will be dealt with in accordance with our Privacy Policy which is available at www.spriggy.com.au/terms.

You agree that all information provided to us is true, accurate and up-to-date. Any changes must be advised to us as soon as practicable.

You agree that we may collect and use technical data and related information, including but not limited to technical information about:

- your smartphone and other hardware devices; or
- your systems and other application software,

to facilitate the provision of software and other updates to the Site.

SPRK Mode provides access to additional features for eligible Parents with teenagers. If you activate SPRK Mode in the Spriggy App in accordance with the Product Terms and Conditions, you will also be provided with the SPRK Privacy Statement which provides information on how Spriggy handles personal information in connection with SPRK Mode (you can see this document at www.spriggy.com.au/terms). SPRK Mode includes a peer-to-peer transfer feature, which enables other SPRK Mode users to make payments to your teenager's Prepaid Card in accordance with the Product Terms and Conditions. They can do so if your teenager provides their profile name or personalised QR code to that user, or by searching for your teenager if they know your teenager's profile name or mobile number (including if they optionally choose to sync their contact list and your teenager's mobile number is in their contact list). In these circumstances, a user will be able to infer that your family hold a Spriggy family membership, but none of your personal details will be shared by Spriggy.

In accordance with the Privacy Act 1988 (Cth), we must comply with the Australian Privacy Principles. You have the right to lodge a complaint if you believe we have breached the Australian Privacy Principles. For details on how you may complain about a breach and how Spriggy deals with complaints, please refer to our Privacy Policy available at www.spriggy.com.au/terms.

If you would like a copy of our Privacy Policy to be sent to you, please contact us through the Spriggy App or Spriggy Website.

6. Third party links and materials

There may be links to other sites within the Sites. You agree:

- those links are provided for information only and may not remain current or be maintained;
- we are not responsible for the content or privacy practices associated with linked sites and have no control over those sites; and
- those links are not an endorsement, approval or recommendation by us of the owners or

operators of linked sites, or of any information, graphics, materials, products or services referred to or contained on linked sites.

You acknowledge any third-party materials appearing on a Site including blog posts or articles provided by others are not necessarily controlled or monitored by us and the views expressed are not necessarily ours.

Third party websites are not subject to our Privacy Policy. We suggest that you read the privacy policy relevant to a third party website that you may access through the Sites.

7. Copyright and Intellectual Property Notices
