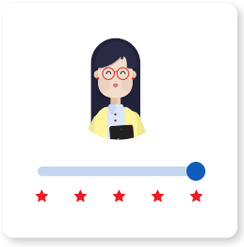
Pending Job Bonuses

Our app will automatically add an additional bonus (on our dime) for any jobs that haven't been picked up by 9pm the night before a job begins.



Ratings

Each of our subs are incentivized to rise to the top with a 1-5 star rating. This rating is connected to their sub profile, giving you confidence the best subs fill your jobs.

Last Minute Cancellation Bonuses

If one of our subs cancels last minute, our app automatically adds a convincing bonus (on our dime) so that other subs will take the job.

> Without reservations, we recommend Senya to all schools who are interested in simplifying the process of hiring quality substitute teachers.

We fill over 90% of our jobs

We boost sub activity by 5x

Thanks to our innovative tech, subs that averaged 1-2 jobs/month are now averaging 10 jobs/month.

But Senya was built for kids, not numbers.

We fill classrooms with qualified, energetic, vetted, passtionate, and motivated subs like Marissa.

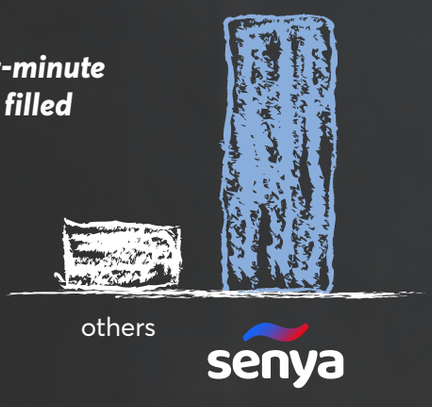
Hi Mrs. Stewart,
UGH I got sick again. I'm SOOO sorry. Can you find a sub for me today?

Thanks for checking in, we'll get you covered!

Last minute cancellations don't have to suck.

We are filling those at a 92% rate.

Never panic when a teacher calls (or texts) in sick at the last minute! We reward our subs for taking your (or our) last-minute absenses. In fact, we fill those jobs 4x more than our competitors.



"Senya provides an easy, fast, and stress-free way to become a successful substitute teacher. "
