

Man Cup 2023 Contingency Program

The Man Cup Contingency program is a marketing partnership that connects our sponsors to our racers. Our sponsors reward our racers for using and winning with their products. This program connects our sponsors to our series racers, exposing them to their products and services.

How it works:

- Businesses wishing to participate in the Man Cup Contingency Program must purchase another available Man Cup Sponsorship.
- Bikes must have one (1) Man Cup decal on both sides of the bike. In addition, they must have one (1) sponsor decal on both sides of their bike. Decals must be conspicuously displayed, preferably on the front fairings. Lastly, the bike must use the eligible product(s) and have all decals in place for their first pass in the first round of eliminations.
- Man Cup staff will verify that racers participating in contingency comply. Any rider found not to be in compliance will not be eligible for claims.
- Man Cup will email our participating sponsors the contingency claims within seven (7) days of each event, and the sponsor will have 45 days after the event to make payment on contingency.
- The minimums for winners are \$100 and runner-ups \$50.
- Contingency decals should be 5" x 3" in size.
