

## ABOUT

---

Helen believes in working as part of a team to create films that tell powerful visual narratives filled with texture and depth. She was nominated for her first DGC award for Production Design in 2019, and has had the pleasure of working on award-winning productions that have featured internationally, including at Sundance, TIFF and SXSW Film Festivals. She is excited to bring her passion and skill to every project, and to continue creating expressive, nuanced sets.
