

MAKING A VISUAL TIMETABLE

1. Print the timetable and pics on coloured or white card.
2. Cut out the timetable strip and each of the pics and laminate each one.
3. Stick a small square of Velcro in each of the boxes in the 2nd column and a corresponding square on the back of each picture.
4. Stick a long strip on the back that the pictures can be stuck on when each activity is completed.

Name _____
