DESIGN A WELLNESS HAVEN COMPETITION

Would you like the chance to win a selection STEM prizes including Lego, books, science kits and activities? Archihive Architects along with Halton Mill are asking all budding young designers to come up with ideas for there very own Wellness Haven! Create a building 'or' space for thinking, meditation, exercise, crafting or doing whatever it is that makes you feel better among the busyness of the modern world.

Think about where you would like to place your Wellness Haven, in a wood, on the side of a river or at the coast, and come and place it on the map in the Archihive Architects Studio, on the Halton Mill Wellbeing Day, on the 18th of May (10 am - 4 pm) in support of St John's Hospice.

Children's Design Competition

ABOUT THE COMPETITION AND HOW TO ENTER

This competition is open to Primary School children with two age categories, ages 4-7* and 8-11*. A winner from each category will receive a prize for the best design which will be judged by the Halton Mill/Green Elephant Cooperative Directors.

*Some prizes may have recommended age restrictions (i.e. Lego/science activities) and may require adult supervision.

There are six template nets included, you can choose one of these, or use one to help get you started, but we'd welcome your own creative ideas if you would like alter them, add to them, or create your own model, we look forward to seeing what you come up with. (maximum model size 15 x 15 x 15 cm).

Cut out, draw, paint and stick bits on - we suggest practicing first to see how the nets go together and ask a grown-up to help with cutting, folding and sticking if you need to.

When your design is done, please bring your finished Wellness Haven to the Archihive Studio (Unit 1.4) on the ground floor corridor of Halton Mill on the 18th May between 10am and 4 pm to enter your design.

Entries cost £1 each, to be handed in with your entry and with all proceeds are donated to St John' Hospice, with a free key ring for every child who enters.

The winners and runner-up in each age category will be chosen and announced in the first week in June, so please make sure your parent or guardian includes their contact information on your wellness haven model, so we can let them know.

GOOD LUCK!
