

Music **Events** Contact Bio New Releases Spice Cabinet Mixes Bio phatjazz, is a Denver based DJ and musician. In 2017, he started a series of mixes for friends coined "The Spice Cabinet." The idea was to put together mixes for the masses. The project eventually blossomed and he found himself playing venues around Denver such as The Gothic Theatre, Temple, Bar Standard, and Larmier Lounge. He looks to continue using phatjazz as a platform to spread positivity and bring people together. **Events** Upcoming Nov. 20, 2022 Temple Night Club Denver, CO Tickets Nov. 26, 2022 Church Night Club Denver, CO **Tickets** Past Nov. 30, 2022 Bar Standard I Was There Denver, CO Dec. 15, 2022 Berghain I Was There Berlin, DE Dec. 18, 2022 Paradiso I Was There Amsterdam, NL Dec. 20, 2022 The Steel Yard I Was There London, UK Dec. 31, 2022 I Was There Brooklyn Steel Brooklyn, NY Don't see a show near you?
