

Perhaps The Facial Cream Should Be Called Liberal Cream

Or

The Generation Of Throw Away (Disposable) Babies

Hey America, and All Who Love Abortion:

It came to me President Obama, Supreme Court Justices, elected officials, A.C.L.U., Planned Parenthood, National Organization for Women, and all others who support abortion, to suggest something to you.

If you must abort someone, why not begin right in our own home, with yourself?

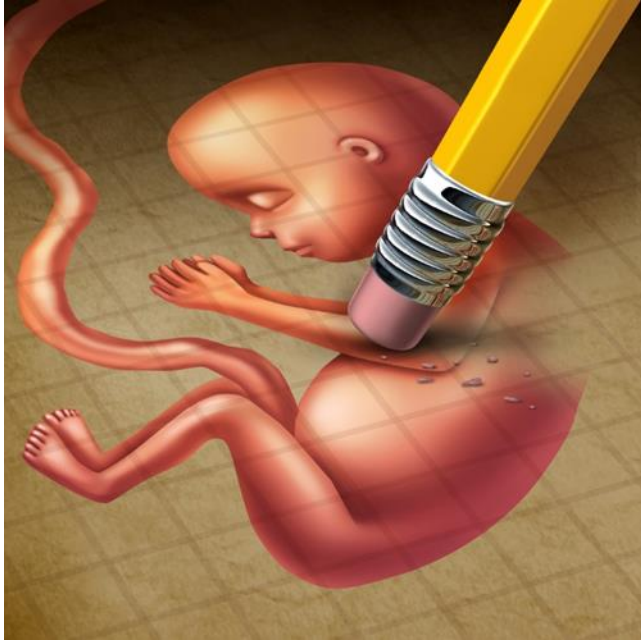

However, before you do this thing, you will need to arrange to have your remains ground up and made into facial cream, or if that's too much bother, I guess you can simply have your remains thrown into a dumpster with the rest of the common

trash.

Perhaps the facial cream should then be called, **Liberal Cream**, named after the liberal (*ungodly*) policies of death and oppression that you promote. I'm sure it would be smooth! Just like the smooth arguments you use to promote the murder of the most innocent and defenseless of our people, the unborn. Are not these ideas that I have mentioned exactly what many of you suggest should be done with the remains of the innocent children you slaughter? In other words, that portions of their remains be made into facial cream to improve women's complexions, and the remainder of their body parts thrown into the common garbage, or flushed down a toilet?

As a child living on a small farm in North Central Minnesota, we were very conservative in respect to product usage. We certainly did not live extravagantly. Frankly, I don't think I remember disposable anything. Mom cleaned out, and then washed out her

own cloth diapers. *(And she had ten kids to boot!)* We washed and dried our own silverware and plates, I don't ever remember using throw away forks and spoon, or plates. We never even had paper towels, we had to use a cloth rag or towel. The old Sears catalog served for toilet paper in the outhouse, even the ashes from the wood stove went on the slippery snow to improve traction, or the garden to improve the soil. We wasted very little of anything. But I guess times have changed. Now, there is throw away just about everything, or so it would seem, **even disposable, or**

throwaway Babies. If you don't want

yours, just hire a hit man (abortion doctor) and Planned Parenthood *(with government money)* will pay for it, and then afterwards you can just throw it in the trash, or flush it down the toilet, and let the child be gone forever, supposedly, even its memory.

However, wait a minute. To the dismay, and often the exceedingly great sadness of those who have murdered their child, the memory doesn't ---- just go away. Memories are not disposable, or throwaway items. God didn't make us that way. **He created us with a conscience, like unto Himself.** For we all, every last one of us, are made after His image, and that means even the evolutionists, although I know they hate the idea. This modern American trend toward throwaway babies sounds way too much like Hitler's Germany. The Nazis didn't want the Jews and a whole bunch of other dissenters, so they simply gassed them, then fired up the furnace, torched them, and then threw what was left in the ash heap out back. But the memories of the millions who died at the hands of the Nazis can never be erased, and the guilty will have their day in court before Yeshua, for it is Yeshua who has been appointed judge of the world, and every soul of man will one day stand before Him to give an accounting of his/her life. And the blot of the murder of 60 million innocent babies hangs over your head America. What will you do with it? Will you, person by person humble yourself, and in sickened remorse confess your sin before the God of the earth, or will you arrogantly continue in rebellion before the Lord?

To you who have aborted your child, or to anyone who is afflicted with a troubled consciousness concerning any other sin, I say to you. Only the power of God can take away the sting of sin. Only He can satisfy a guilty conscience. It is the Everlasting Gospel that possesses the power to transform a life and wash away sin, and the bitter pangs of regret and shame that are part and parcel with sin. There is nothing found in the world of men that can transform a life and give pardon to the guilty, and return a clear conscience to the guilty, **only the Gospel.** It is

not in man to be able to heal his sin problem, it is not in the religions of men, nor the intellect of men, or the arrogant bravado that many conduct themselves with. Yeshua alone offers a place

of peace between God, and the person who comes to Him by faith.

Our national father Abraham Lincoln commenting about the issue of slavery expressed a thought similar to what I am suggesting to all who promote the murdering of babies, he said, **“Whenever I hear anyone arguing for slavery, I feel a strong impulse to see it tried on him personally.”** Not that I seek the hurt or demise of anyone, for I do not, nor will I ever. But you tell me, what I’m suggesting, is it not far more equitable and reasonable in reference to justice than what the abortion crowd suggests? If you seek that the innocent must die, then why not start right at home by killing yourself? **Although we all know that those that promote abortion are far from innocent, and deep down, they know it too!**

Well President Obama, Supreme Court Justices, and others, do you have the guts, or can you only promote the slaughter of those who cannot defend themselves? I'm sure this plan would be cheaper than the millions our president proposes to spend to fund abortion. (*murder*)

If you continue to refuse to repent, then for the likes of you is reserved the blackest darkness, the hottest fire. You will have good company there with the types of Stalin, Hitler, Saddam Hussein, Mao Tse-tung, and even Satan himself. Now do not take me wrong. I do not seek your demise. **I seek life for you in the name of Yeshua the Messiah, who is the Lord of Glory.** But if you must murder another, it would be better that you kill yourself, than for you to kill the innocent. I suggest you turn from your wickedness unto Yeshua. I did. All who follow the way of wisdom and truth do. Yeshua (*Jesus*) was good enough to be claimed as Savior and Lord by the great percentage of our national founders, and the many godly men and women who maintained this nation throughout its history, and He’s good enough for you to, that is, if you desire to be children of light, and children of truth. Once again, I say to you that do not love light and truth, for you is reserved the blackest darkness, and hottest fire, to be cast away from

the presence of the God of light and joy. For the Almighty will give to the wicked according to the love of their heart. You have loved the blackness of perversion, and you have loved the flame of murder, therefore the Holy One shall grant you the desires of our own heart. To live for eternity in darkness, away from the light of His presence, and there suffer the flames of the Lake of Fire.

- **I tell you, in fact, I warn you, that the Mighty One will do it your way. He will give to you according to your heart's desire. So, you better think it through, and carefully determine what it is that you will attach your heart to. Will it be murder, injustice, and a life of unbelief that leads to eternal condemnation, or will you choose a life of faith that brings forth justice, mercy, and the patient abandonment of your life to the purpose of God.**

Because of the “legalized” wholesale murder of our unborn and new-born, not to speak of the multitude of our other sins, great guilt has been brought upon this people. I tell you in the name

of the Almighty God, it will be accounted for upon this nation. One more time, we would do well to learn from the wise and discerning words of our national father Abraham Lincoln, for he said the following in his second inaugural address. Many I'm sure did not appreciate the truth of it then, as many today do not appreciate the reality of the same truth in our generation. **“A Woe unto the world because of offenses, for it must needs be that offenses come; but woe to that man by whom the offense cometh. If we shall suppose that American Slavery is one of those offenses which, in the providence of God, must needs come, but which, having continued His appointed time, He now wills to remove, and that He gives both North and South this terrible war as the woe due to those by whom the offenses came, shall**

we discern therein any departure from divine attributes which the believers in a Living God always ascribe to Him? Fondly do we hope, fervently do we pray, that this mighty scourge of war may speedily pass away. Yet, if God wills that it continue, until all the wealth piled by the bondsman's two hundred and fifty years of unrequited toil shall be paid by another with the sword, as was said three thousand years ago, so still it must be said, “the judgments of the Lord are true and righteous altogether””.

America: Will YeHoVah hold this generation any less accountable for our rebellion, arrogance, murder, and injustice, than the generation of Lincoln's day? Why would He?

Yes, the pillow prophets of this modern day preach prosperity, and blessing, they sure don't preach concerning sin. Some of these prophets exist in politician's clothing, others in religious garb, still others in scholastic garb, but I tell you that dark and difficult days lie ahead. For YeHoVah' is a God of justice, of vengeance, and of judgment. He will execute vengeance upon this people, for we have refused to acknowledge our sins, and turn from them, and in so doing give Him glory.

Know this, you who are guilty of sin, and that is all of us. There is no pit to deep that God cannot, and will not, bend down and lift you out of it , if you will call out to Him.

For whosoever shall call upon the name of the Lord shall be saved. (Ro. 10:13 KJV)

An American Watchman,
Gregory A. DeHart
