

The Author explores the question: Has there ever been a group of people that has ever existed, in any nation, or at any time, that was anymore perverted than the Democratic Political Party?

## Tell Me, Whose More Perverted Than The Democrats?

**Hey Mr. and Mrs. America:**

Tell me, what group of people since the beginning of time has supported the magnitude of perversions that the American Democratic Party does?

Here we are again, an election year, and the American Democratic Party has chosen their nominee to represent them, vying for the office of the presidency of the United States of America. I guess it is this happening that spurs me to speak from my convictions concerning the Democratic Party, their agenda, and the liberal (*ungodly*) movement in America, which I am sorry to say also includes elements of the Republican Party.

**A side note.** The word liberal in the past referred to one who was generous and giving. For example, one could have been referred to as liberal in respect to his generous praise and support of another person, or it could have been used to signal a person liberal (*generous*) in

his giving to another. However, sad to say, that is not how the word liberal is very often used any more.

I have to admit that I have come to believe in evolution. No, not in the bone head idea that we as men evolved from some ancient slime pit, but the evolution of words that is, for modern America is proof of it. However, in modern America words do not seem to evolve from bad to good, they do not seem to go from ignoble to noble, but from noble to ignoble, from good to evil. For the word liberal has now evolved to represent one who is sold out in support of all things wicked, all things contrary to God, from all good works, stable and happy marriages, families, churches, communities, to the corruption and destruction of all of these.

Similarly, the word gay has been changed in meaning. When I was a child a gay person was one who was happy, he or she was a person who chose to keep their heart and emotions so

that they represented themselves with joy and light heartedness. My, has that word ever "evolved". Now the word gay stands for one sold out to embrace and exercise perversion, and in fact perversion so wicked before Yehovah (*Pronounced Ye-Ho-Vah', the eternal name of God*), that His law demands that all who practice such to be executed. Yes, yes, I do believe in evolution, for I have to admit this kind of evolution is certainly a reality in modern America.

American people, we would do well to remember it is written, ***"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them"*** (Leviticus 20:13 KJV).

### **You may ask, what Credentials Do I Have To Speak?**

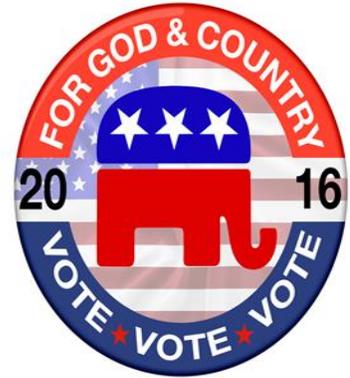

None, none at all, except that God calls me to speak, and that I view myself as an individual with conscience before the God he serves. I fully know that I would not be on anyone's who's who list, but still I must speak. I have come to understand how our earliest national founders dreamed of America. A people civil, who would keep conscience before YeHoVah', receiving His Gospel, and maintaining His laws as their own, to the end that His kingdom might be manifest in their nation. Isn't that why in our pledge to the flag we say, **"One nation under God"**?

I never voted for Mr. Obama, and I can promise you before the God whom I serve that I will never vote for Hillary Clinton. YeHoVah' forbid that I should have in the past done such a thing as vote for Mr. Obama, or in the future vote for Mrs. Clinton! To have voted for Mr. Obama, or to in the future vote for Mrs. Clinton, or their political party would, or will yet be **to vote against the law of YeHoVah' on numerous accounts.** May I never find myself voting for any politician, or proposition, or movement that promotes ungodliness like Mr. Obama or Mrs. Clinton's party does. ***"Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even forever. The zeal of the Lord of hosts will perform this"*** (Isaiah 9:7 KJV). But the end of the ungodly shall always be misery and destruction, and it does not matter how religious, rich, good looking, what political savvy they possess, how smooth talking they are, popular, or anything else they might be at the moment. He, or she that fights against YeHoVah' will in the end be destroyed. In the end, only the way of YeHoVah' will stand. Therefore, it is my determination to stand with God, His Gospel, and His Commands.

***He*** (He that pursues righteousness) ***will be like a tree firmly planted by streams of water, Which yields its fruit in its season And its leaf does not wither; And in whatever he does, he prospers. The wicked are not so, but they are like chaff which the wind***

***drives away. Therefore, the wicked will not stand in the judgment, Nor sinners in the assembly of the righteous....*** (Psalms 1:3,4,5—New American Standard Bible)

I am registered to vote as a Republican, and for the most part I am proud of what the party stands for. In fact, some while ago I read a Republican Party platform, and it was like a breath of fresh air. It was a political statement that was in support of ideals that are wholesome and in keeping with the fear of God. **(Yet please know this, I have never seen the Republican party stand up to its own written ideals. It certainly is not without its sin)** However, the Democratic Party fervently promotes so

much of what is unholy and perverted. Maybe you think I am hard-nosed and judgmental. True, it cannot be said of me that I am a perfect person, for we need to remember there has only ever been one of those in the history of mankind. His name is Yeshua. But, even if I cannot claim perfection, should I add to my lack by accepting and promoting follies and perversion that are hated by God? The which, I should add, are the very agenda of the liberal movement in America, and is it not true that the Democratic Party is the political backbone of such a movement?

**America listen up, and I will pose a question to you. What group of people since the beginning of time has supported the magnitude of perversions that the American Democratic Party does?**

**Let's list a few of these perversions:**

- **Abortion on demand! The wholesale mass murder of the unborn**

Currently, as of November 3<sup>rd</sup>, of 2016 the number is 59 501,575 innocent souls. In fact, please follow this link and it will bring you to a site that has been created with a digital accounting that moment by moment is kept current. Therefore, you can see every few seconds the number changing, and when it does, you know that another innocent baby has been butchered by a paid hit man/woman under the blessing of the United States Supreme Court ruling of 1973, and maintained by our present Federal Supreme Court. <http://www.numberofabortions.com/> This number is now basically 1/5 of our current national population. We have murdered 1/5 of our population, and I tell you that the Democratic Party is the political power behind this wickedness.

**Now would you call that wholesome, and should not this perversion alone be enough to discredit any group of people?** I tell you Hitler and his movement will rise up in the judgment and point a finger at this generation in America. Stalin and his communist party will rise up in the judgment and point their finger at this generation in America, for they never murdered so many innocents. Even Mao Zedong, founder of the People's Republic of China can only boast of murdering 45 million of his people. He wasn't near as

efficient and energetic has what you America, have proven to be. Three of the greatest hit men of all times, and they are still substantially behind you America! There you go America, history will list you with the greatest murderers that have ever lived, and the Democratic Party is pleased to be political power to ensure you go right on murdering your own.

Ladies and Gentleman of America, did you note that the Democrats had Cecile Richards as one of their speakers at the Democratic National Convention? Cecile Richards is the head of Planned Parenthood, which just happens to be the leading abortion promoter in the country. Sounds like quite a political get together, lets invite the most productive voices in the land in reference to killing unborn children and parade them in front of the crowd. Also, did you note that the Democrats had at their convention a woman lobbyist who openly and boldly spoke of how she had murdered her baby, and her stated reasoning for murdering her child was that it was not a good time to start a family. **And the crowd roared with applause.**

Reality is, if you are an unwanted unborn child in America today this is how you end up. From here they may throw you in a dumpster, flush you down the toilet, or sell your body parts.

There you go Mr. and Mrs. America. There's an introduction to the Democratic Political Party.

**But there is more, mass murder is not their only claim to fame.**

- **Sodomy elevated to a place of acceptance**, and now a foolish and perverted Supreme Court has in their minds made a ruling that redefines marriage to include sodomites and lesbians. Obviously, the reprobate mind has again been proven to include the members of the US Supreme Court,

those who are supposed to be the clearest thinking, and most devoted to the letter and ideal of our constitution. Well, I guess any idiot can call the perversion of homosexuality marriage, but YeHoVah' never will, and in the end, we will all stand before Him to give an account of our lives. **The truth is,**

**YeHoVah' is our creator, and does not the creator of all things retain the right of design, and of stated purpose for His creation?**

I tell you He does, and I tell you that no president, no US Supreme Court, no lower court, nor will any American liberal movement make one little, tiny bit of difference on that day of judgment, as to whether YeHoVah' will change His nature, or His laws to allow people who embrace perversions to enter into His eternal presence.

- **An oppressive tax burden upon the productive in society** to supply the financial base for their ever-increasing social programs. (*Socialism, whether it is democratic or communistic is always ungodly in nature, it is always using the strong arm of the law to steal from the productive to give to the un-productive*) Mr. Obama has now led us to 19 trillion in national debt, and it is forecasted that Hillary Clinton (*if given the opportunity*) will after 4 years lead us to 25 trillion in debt, for she certainly seems to possess no fewer socialistic ideas than what Mr. Obama ever had. We would do well to remember the counsel of Winston Churchill, for he said, "Socialism is a philosophy of failure, the creed of ignorance, and the gospel of envy, its inherent virtue is the equal sharing of misery." I tell you America, if the Democratic party has its way, we will very soon see a very literal fulfillment of the prophecy of Churchill's words coming true around us. We will all share an equal inheritance in poverty when this nation goes belly up.

- **If possible, to outlaw the mention of YeHoVah' and His law from all public life.** In a nation, whose constitution up holds the standard that the government shall not infringe upon the free exercise of religion, nor of the freedom of the press, nor the free speech of an individual, Mr. Obama's Democratic administration has done numerous things to squelch Christian expression. I say Christian, for it is obvious that he favors the Muslims and the perverted of the land, is that not the reason why his administration refuses to label the radical Muslims terrorists (*which is fundamental Islam*) as just that, murderous radicals, enemies of the free world, which includes this country?

- **The acceptance of wholesale pornography.** Pornography is a cancer to this

people. It has become extremely big business, but it is destroying us. It is a cancer that eats away at proper personhood. Damaging the people it touches, and particularly affecting interpersonal relationships that are most vital to a society, IE, the marriage unit, and the children within that family unit. Pornography abounds, and on this point, I will admit I don't see either political party doing anything about it worth mentioning.

- **The abiding promotion of**

**America surrendering her sovereignty** to become just another state in a North American

One day soon there will truly be a New World Order, when Messiah returns and sets up His governmental seat in Jerusalem, and it will be a kind and justice government. At that time the nations of the world will be glad to join their flags to a one world flag. But woe to any nation that thinks that anyone other than Messiah can pull off a kind and just world government.

Alliance, and then latter just one more state in the a one-world government, which of course would end our sovereignty, thereby making us subject to the whims of

who knows who. Yes, it is an ideal of the Democratic party to be just one more “child” in the great family of nations. But the problem with that proposition is the question of who is the father of these nation children? And I assure you it will not be God Almighty, rather it will be Satan himself. For once again, remember their party has officially disavowed any acknowledgment of God our creator, redeemer, and LORD. I say to you America, the only hope you have for safety, prosperity, health, moral character, strong families, and honor and virtue is to maintain your strong individual national sovereignty unto YeHoVah’s glory. **Nationalism is very good, in so much as it is lived out within the fear of God.** Never do anything that causes you to bend the knee to the dictates of other nations. Bow your national knees before YeHoVah’ alone, for if He will be your God, then you will be blessed, even as you have been in the past. Remember it is written, **“Blessed is the nation whose God is the Lord; (YeHoVah’) and the people whom he hath chosen for his own inheritance”** (Psalms 33:12 KJV).

**The party that officially disavowed any acknowledgment of God.** That’s right, the democrats made it official. They officially outlawed God from their party. I have news for them, on that last day, that great day of judgment when every soul of man shall stand before the God of the earth to receive judgment in reference to this present life, at that time, they and all who embrace unbelief will be outlawed from His glorious presence. Now, does God want to outlaw anyone from His presence? Absolutely not! Messiah came into the world to be the payment for the sins of all men, which includes the democrats, but unless they, as well as anyone else, will humble themselves to confess their sin and turn from it, and embrace the Lamb of God who surrendered His life as the payment for our sins, then God will have no choice but to send them to an eternity in the Lake of Fire (*Hell*). Remember it is written, **“...Unto Him that loved us, and washed us from our sins with His own blood”** (Revelation 1:5b KJV). I tell you Mr. and Mrs. America, Yeshua offers love to you, but if you think for one moment that you can go on embracing your abominations and cuddle up to Him you are very, very,

The fool hath said in his heart, There is no God (Psalms 14:1 KJV)

mistaken. For it is also written, **“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death”** (Revelation 21:8 KJV).

- **The sting of valid (Biblically based) punishment taken out of our justice system.** I suppose to deny Biblically based reasoning in reference to civil justice is only reasonable if one thinks his ancestors crawled out from a slime pit some zillion years ago. For if one is a child of a slime pit, then would not their manner of life reflect that? Please remember Mr. and Mrs. America, the Democratic Party voted to exclude the mention and influence of God from their party, therefore, I can only assume that they must think they evolved from a slime pit. What else could I conclude? For we all had to come from somewhere, and if we don’t have a creator as the liberals teach, then I guess we must have crawled out of a slime pit. And again, I have to admit, that would sure explain why so many of our people are behaving like slime boogers.

- **The promotion of the perversion and absolute folly of what is call transgenderism.**

What a spit in the face of a wise and holy God for any man to denounce the very gender that YeHoVah' created him to be, or for any female to denounce the gender that YeHoVah' created her to be, along with all the aspects of that gender that are purposed by their creator. Or for any parent or guardian of children to corrupt a child's mind by sowing

into that child these wicked transgender ideas so that that child doesn't have a clue as to what he or she was created by God to be. Shame on any person, any group, any nation that is so ignorant and confused, or so rebellious before their creator to stoop to such a place. And is it not the democratic party that supports our current president in his folly when he abuses his office by sending out a letter to school boards across this land to black mail them into the acceptance of the idea that so called transgenders should have the right to invade the bathroom space of the sex that they were not born with. *(he did this by promising that any school system that fails to comply with his dictate would be refused federal funding)* This man, even our president is the kind of idiot that true fathers fight to protect their daughters from, and the democrats hail him as a hero.

- **Are not the Democrats the political wing that works to weaken national security?**

Consider the attack on the US Embassy in Libya. For eight hours, our democratic president knew that they were under attack, but refused to act for he was afraid of offending the Libyan government. Therefore, those US citizens died at the hands of terrorists. Consider the reality that Mr. Obama to this day still refuses to identify the radical Islamic terrorists

We would do well to remember Yehovah's words of promise to the nation of Israel, ***"And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed."*** (Genesis 12:3 KJV) If we are so bonehead to think we can forsake God's chosen nation and not ourselves be forsaken by God, then we are really, really blind and stupid.

as just that, radical Islamic terrorists. He still refuses to call them for what they are and admit that they are out to get us. Thus, he refuses to name the enemy, and thus he refuses to declare war on the them. There you go America, he, Mr. Obama, as well as his party, are not only un-Godly, but un-American. Plus, let us not forget the Iran affair. Funneling over a billion dollars to a government that has for years vowed to wipe our ally Israel off the map, a government that is an open supporter of terrorism around the world. A government that openly declares it wishes to destroy our democratic republic. Hillary brags that she started the talks, Mr. Obama brags that he brought them to completion,

and together they seek to enable this tyrannical government to obtain nuclear weapons that every sane person knows they will seek to use against Israel, other allies of America, and America too. Mr. and Mrs. America, if you want a more extensive list of the anti-American activities of Mrs. Clinton listen to the speech that Chris Christie gave at the Republican National Convention. <https://video.search.yahoo.com/search/video?fr=yfp-t-s&p=chris+christies+speac>

## I ask you Mr. and Mrs. America, who needs enemies when you have Democrats in high places?

- **Chief supporters of the spirit of feminism that so greatly grips this nation.** Face it America, the Mighty One did not create the sexes equal, for females are far superior to males in a whole number of aspects. I mean I would say that 99% of them are far pretty then any man I ever saw, and if pretty is not important then tell me why the world spends billions and billions of dollars annually on every sort of beauty enhancing product or exercise? It is the woman who is the bearer of life. It is they whom the Mighty One endowed with the design and ability to conceive, and then bring forth children. There is no man who can perform such a wonder. It is they who have been endowed with breasts to suckle that newborn child. It is they who have the temperament to tenderly nurture and care for infants and small children. It is they, I mean their gender, that any kind of real man wants to go home to at night, to make a family with, to spend his free time with. I mean, I spend my working hours mostly in the company of men, but I promise you, I sure don't want to take any of them home, and I sure don't want to cuddle up to any of them. NO, women are far superior to men in many ways, but to practice the confusion that promotes that women are equal to men in respect to headship is absolute folly, and a spit in the face of God Almighty who created the man and the woman as living mortal illustrations of Himself, and that which is the apple of His eye, IE, the Church, or individual Believer. The man represents Messiah Himself, the woman represents the Believer, **and there isn't any Believer on the face of the earth that is equal in headship to Messiah.** And in like manner there isn't any woman on the face of the earth equal to her **God ordained male head**, nor in general terms to men. Headship is always, without fail comprised of two basic elements, that of responsibility and that of authority. We as a society fail in respect to this truth in many ways and it has been hurting us terribly for a very long time, and I will freely admit that the Democrats are not alone, they have a lot of company with the Republican in respect to our nation's confusion and rebellion pertaining to this truth.

America: These, among many others, are the reasons I am not called a liberal, or a democrat. Not that I am saying that everyone who is registered as a Democrat is in full support of their party's liberal ideals, any more than I am saying that all registered Republicans are in full support of their party's ideals, for it is obvious that there are many Republicans that are untrue to their party's ideals, nor am I saying that either political party is in full support of YeHoVah's ideals.

## **But I am saying this:**

Before YeHoVah' Almighty, His holy angels, all the angels of darkness, and all men everywhere, **I vote for the fear of God.** I move that all our countrymen bow their knees and acknowledge and turn from our extreme waywardness to YeHoVah's laws, that we might be visited by His blessings and not His judgment. I hate what has become known as liberalism! It is dark and godless! It works to demoralize and destroy our people, and, it is provoking the very wrath of God upon our people.

**American people, you need to hear me. God Almighty is becoming our enemy,** and that is because we have allowed ourselves to embrace so many ideals and practices that are an abomination to Him. So, unless we figure we are greater than the creator of the universe, and thus in our greatness we can stay His hand of judgment, then I suggest we need to begin to call black—black, and white—white, calling sin for what it is. The Democratic Political Party and the ideals it puts forth, and its usurpation of the obvious intention of the constitution within public offices, such as the office of the president, and our US Supreme court that denies our constitution and manipulates the truth of law to bring forth edicts that allow for the governmental promotion and protection of these perversion are inciting the wrath of God. **If we fail to recognize this, if we continue to sit on our apathetic backsides and do not bring judgment into our own laws and institutions, even our own lives, then God will continue to bring His judgment upon us.** We need to humble ourselves before the Sovereign of the Universe, and begin to do what is right, and reject what is wrong, and punish the evil doer.

An American Watchman,
