

# Mobile Repair

## Fast repair when business is on the line

Our repair service provides fast mobile repair for your employees when something happen with their mobile device. No more wait time for them.

We have crafted a web-portal that can be personalized based on your needs when it comes to get mobile device repaired. The *GIGNERrepair* portal offers you a centralized approach to set business rules for approval (or pre-approval) along with PO allocation and options for your employees to get their device repaired same day within more than 80+ repair centers across Canada. We have partnered with Mobile Klinik and Electrobac to bring the repair service closer to your employees as we recognize that business depends on their efficiency and productivity.
