

# BLUEWATER ANGLERS

Membership Meetings - E.C.W.U. HALL, Corner of Indian Road & Devine St.

Doors Open 7:00 p.m. — Meetings start at 8:00 p.m.

## JANUARY'S MEETING

**Tuesday, January 11th, 1994**

### AGENDA:

- \* Elections
- \* Pen Reared Salmon
- \* Derby Update
- \* Hatchery Report
- \* 1994 Membership
- \* Draw Prize

## CALENDAR OF EVENTS

**1994**

Jan. 11	General Meeting
18	Directors Meeting
Feb. 1	Directors Meeting
24	Fish'n Canada, Holiday Inn
March 1	Directors Meeting
5, 6	Hatchery Open House
8	General Meeting
31	Early Bird Derby Draw

### GROUP HATCHERY TOURS AVAILABLE

Call Bob Lawrence 337-3119

## BLUEWATER ANGLERS

- \* Largest fishing club on Lake Huron
- \* An opportunity of fellowship with men and women who share your interest and concern in fishing
- \* Interested in our area's tourism and fishing
- \* Working for new fish plants in our area
- \* Information about fishing in Ontario
- \* Six regular meetings with exciting programs and clinics
- \* Special Kid's Derby
- \* Canada Day Kid's Derby
- \* Club Outings
- \* Club Family Picnic
- \* New Fishing Methods
- \* Active voice with the Ministry of Natural Resources
- \* Help maintain Fish Hatchery
- \* Spring Sportsmen Show
- \* Samia Salmon Derby
- \* Club Boat and Shore Tournaments
- \* Newsletters
- \* Boat and Car Decals (New Members)
- \* Club Patch (New Members)
- \* Upholding Fishing Laws
- \* Store Discounts

## FISHING PHOTOS

Bluewater Anglers are looking for good fishing photos to be used in upcoming club newsletters and promotions. Bring your best fishing pictures to our next membership meeting with your name and brief description on the back.

## THANK YOU

Bluewater Anglers would like to thank the Wharf Fish & Chips for once again being the official sponsor of our Club Derby's and Special Kid's Outings. Your generous donation and support is greatly appreciated.

## HATCHERY REPORT

First, it should be noted for new members, the fish culture station is operated by about twenty dedicated volunteers. Many more volunteers raised the twenty five thousand dollars needed to run the hatchery annually. The main contributors to this amount of money was the memberships, the Sportsmen Show and the Samia Salmon Derby. A garage sale on Mackinac Weekend also raised a thousand dollars.

A special thanks to all the hatchery operators and the people who worked on these events. We should also let you know that about thirty member of the club received special recognition from the Ministry of Natural Resources for their extra effort and many hours spent in establishing and maintaining the fish culture station.

The stock out trailer was very busy in the spring putting about 200,000 salmon and in the fall 20,000 good sized rainbow trout in local streams, bays and basins. The new large rainbow tank worked extremely well and we couldn't have raised the amount and the 60-90 gram fish without it.

The rainbow program had a set-back when approximately 20,000 eyed-up rainbow had to be replaced.

This first trial at raising this number of rainbows also caused the hatchery to operate for a full year. This put a strain on the budget as hydro and extra feed was needed from May to October. Subsequently the schedule for raising rainbow will be altered to allow for a shut down of the operation from mid May to early September to conserve funds.

Your membership and support of the other Bluewater Anglers events is our take and replace program.

We thank you, the fish thank you and you will be thanking yourself when you bring home "the big ones".

## POWDER PUFF WINNERS

Joanne LeBlanc, Barb Warwick, Claudette Cote

### 50/50 Draw

At last November's Membership Meeting, Ed Passingham (H.E. Passingham Insurance) was our 50/50 draw winner. As in the past, Ed promptly donated his winnings back to the club. Thanks Ed, you truly are a friend of the Bluewater Anglers.

### Winners - September SALMON 500

- |                         |       |
|-------------------------|-------|
| 1. Chester Januskiewicz | 22.99 |
| 2. Jules Desrochers     | 22.72 |
| 3. Norm Collins         | 21.84 |
| 4. Jerome Smith         | 21.84 |
| 5. Ed Holubowicz        | 21.20 |

### Winners - September RAINBOW 500

- |                     |       |
|---------------------|-------|
| 1. Joe LeBlanc      | 11.70 |
| 2. Tony Kobrynovich | 10.64 |
| 3. George Robinson  | 9.90  |
| 4. Carlos Bianchi   | 9.84  |
| 5. Ivan Mariuz      | 9.48  |

### THANK YOU

Bluewater Anglers would like to thank Nearly New Sports for being our official weigh-in during the Fall 500 Salmon and Rainbow Derbies. Your support and assistance in the running of these club outings was greatly appreciated.

Nearly New Sports is located in the Wiltshire Plaza on Murphy Road and offer Bluewater Angler Members a 10% discount.

### FROM THE PRESIDENT

1994 is now upon us and on behalf of the BLUEWATER ANGLERS all the best to you and yours for a great year!! It's hard to believe that it is already a year ago that I stepped into this role, not knowing for sure what was to come. We have done some new things which have had different levels of success. Our Hatchery has recently completed a full one year cycle with the expansion of the Rainbow Program in the Fall of 1992. In November/93, the Rainbow Trout (some 25,000) were released into the various waters of Lambton County. The very dedicated group who worked all through the summer to ensure the success of this program were really pleased with the outcome - excellent quality fish and very few mortalities. Success does have its price sometimes and the cost to run the Hatchery 365 days a year is just overwhelming. Electricity and food costs were very high but the results were excellent. We'll be re-working a few ideas as the Hatchery goes back to a 9-10 month operation and we gear our Rainbow and Salmon programs to what this Club can realistically manage. The time and energy spent by the volunteers in this facility is immeasurable. They all deserve a pat on the back and your continued support. **Feel free to help any time!!** Saturday afternoons are always a busy time - come down and check it out. **IT IS YOUR CLUB!**

As I pass on the "Fish Gavel", I look back on a busy year. This Club has a high profile both locally and beyond and I have been proud to represent us. I did my best to promote our Club and our Hatchery and have tried to open some new doors to ensure our continued success. We have dealt with some delicate issues - as always happens in any organization, but I think your 1993 Board of Directors has done a good job and I thank them all for their support to me and the Club.

Challenges are here for 1994 and beyond and I urge you to become involved in your Board. Elections are this month at the ANNUAL MEETING. No experience required - just a willingness to participate and take part!! There will also be information concerning some possible amendments to our By-laws and input from the members will be requested, so please come out. These amendments will help us in our financial future and hopefully give some relief from our "Fiscal Constraint" we are under. I hope I have served my term well - I know there were skeptics but I think I proved them wrong! Anyhow, I did my best. I thank those who have helped me and the club through their time, energy, labour and other various talents. I would also like to thank Rob and my kids, Rachael and Jeremy for their support and patience throughout the year. Family priorities will limit my time this year to working on the Derby, but if we all do a little bit then the load is lighter and the results are great. Get your family involved or if you have to, get someone else's family involved. Fresh air, good company, lots of stories and an appreciation for the outdoors is good for us all.

*Thanks again - it's been a good year!*

*Hope to see you on the Water.*

### 18th ANNUAL SARNIA SALMON DERBY

The 1994 sixteen day event runs from April 30th to May 15th and is once again part of the 1994 Heritage Fishing Series.

The Sarnia Salmon Derby Committee has been meeting since last September to make this spring's derby the best one yet. Our goals are to raise upwards to \$75,000. in prizes, to have over 2,000 participants and to raise over \$11,000. for our hatchery program.

With the completion of our new rainbow facility, the hatchery is now operating year round and expenses have almost doubled to \$25,000. per year. In order to increase derby profits, this year's derby committee will be tightening it's belts on derby expenses. To reduce derby expenses we have decided to drop the boat/motor/trailer package and revert back to the old format of providing 9.9 h.p. OMC motors as first place prizes in both the salmon and trout categories.

Response from all derby sponsors to date has been quite positive. Presently we are looking into purchasing three fiberglass canoes from Abbott Boats Inc. and fishing vacation packages, as additional prizes. More detailed information will be made available at January's meeting.

The bottom line is the Sarnia Salmon Derby and Sportsmen Show have to show a \$25,000. profit to enable us to run our hatchery successfully.

Committee organizers will be looking for volunteers to help in such activities as weighing-in fish, working display booths, ticket sales, etc.

Remember that all profits go directly into our fish hatchery operating expenses. If the numbers of fish caught during last years derby is any indication, this Spring's Sarnia Salmon Derby could be the best one ever.

*Pete Bothwell, Salmon Derby Committee*

### CLUB ELECTIONS

The annual election of seven new directors for three year terms will be held during the January meeting. Anyone interested in running for office or anyone wanting to nominate someone, please forward the name to club president Sharon Buttrum at 869-4907 or club secretary John Knight at 862-3605, prior to the January meeting so their names can be put on the ballot sheets.

Come forward, run for the directorship make your views known, give of your time and experience to promote and create a more prosperous club for years to come.

Even though you may not personally know all of the candidates, you can learn more about their qualifications and ability to serve you during the election night introductions.

Now it is all up to you, get out and vote, let's let the 1994 directors know how we want them to run our club.

### VOLUNTEERS

The backbone of any organization is in its volunteers. Club directors or committee heads can plan and organize, but it's through the volunteers that most activities get done.

What volunteers may do depends on their interests and abilities. For example, the Bluewater Anglers are involved in a number of activities, sportsmen show, hatchery operations, egg collection, salmon derby and special kid's outings, just to name a few. All these required volunteer efforts.

If you would like to volunteer, we encourage you to contact any club director. The work is both easy and rewarding, and I'm going to tell you something that you may find hard to believe - *It's fun!*

Nothing quite matches the excitement of knowing you have been part of a team that has run a sportsmen show, worked a derby weigh-in station or better still, been involved in one of our kid's outings.

### Thank You Hatchery Volunteers

The last year has been a busy time for our hatchery personnel. In August of '92, they completed the construction of our new rainbow facility. In April of this year they stocked out 200,000 chinook salmon and last month released our first batch of 25,000 rainbow trout.

It is important that local fishermen come to realize that the Bluewater Anglers stocking program is based on the efforts of it's volunteers.

In all, over 50 volunteers are responsible for sustaining this areas sports fishery by donating their spare time to collect eggs, rear and release salmon and trout into lower Lake Huron waters.

*Great effort guys!*

### WINTER ICE FISHING DERBY

For detailed information on this event contact LeRoy Osmond at nearly New Sports (542-9276)

Brian Gabriel	Phil Stevens
Al Grant	Gary Vacek

## THANK YOU

Bluewater Anglers would like to thank Nearly New Sports and The Outdoorsman for being our official weigh-in station for both of this fall's club Salmon and Rainbow Derbies.

## THANK YOU, too

Thanks to the Point Edward Optimist Club for once again donating all the kid's prizes for the 1994 Salmon Derby, and to the Port Franks Optimist Club for once again donating their facility for our weigh-in station.

## BUTTRUM'S - On the Move...

By the time you read this newsletter the Buttrums, Rob, Sharon and their children will be in the process of moving to the far north. Fishing, as most of their friends know is Sharon and Rob's favourite pastime, and moving to North Bay and hopefully one day buying a lodge or fishing camp of their own is their life long dream.

Both Sharon and Rob have actively worked and provided outstanding service to many club activities, kid's outings, sportsman shows, salmon derby, just to name a few. Both served as Directors and in 1993 Sharon became our first Lady President. Sharon played the key role in having the Bluewater Anglers status changed to Charitable, opening the door for donations and fund raisers.

The membership and the Board of Directors wish you all the best. Your many years of dedication to the Bluewater Anglers are greatly appreciated. May I add my own best wishes for you both and your children. Thank you for all your support both within the club and outside of it.

We will keep in touch!

Pete Bothwell, Editor.

## NEW DIRECTORS

Elections of new directors for 1995 will be held at the January Membership Meeting and seven positions must be filled. Anyone interested in running for a club office and anyone wanting to nominate someone, please forward the name to the club president, Dave Large at 337-7901 or any Club director prior to the January meeting.

Any prospective candidate should feel free to attend any director's meeting from now until the end of the year to get a first hand look at how this club is run.

## FOR SALE

1989 Starcraft Boat  
22 foot

115 Mercury Motor

New top (stand up) with drop curtain  
and aft curtain

complete with electronics and some equipment  
sitting on a single axle Caulkins trailer

Call Dave at 337-9333

## MACKINAC WEEKEND SUCCESSFUL

The Bluewater Anglers food booth at the Mackinac Festival Weekend raised over \$1,000, which will go towards the operation of the fish hatchery. Special thanks to Rick Archer, Larry Doan, John King and to the many volunteers who helped out and did a great job!

During this same weekend our second annual garage sale was another success story raising over \$700. Dave Laird did a great job organizing this event and special thanks to all the club members who donated item for this sale.

## HATCHERY REPORT

Summer is almost over and activity in the hatchery is beginning to pick up. A group is working to get things into shape for the next season, which should start about mid September.

Each season there is a small turnover of hatchery operators, in fact at least three have moved out of the area. Hatchery operators will be looking for club members who would be interested in learning and participating in rearing fish and running the hatchery operation. As a volunteer, you will be assigned to a team which has a one day a week commitment, starting in October and finishing by mid May. Hatchery operators spend an average of one hour on their specific day a week commitment, and each team works out what is the best time for them to work at the hatchery.

For more details about this or any questions about hatchery operations, how we do it, why, when or where, please come to the September 13, membership meeting and we can answer your questions either from the floor or in person.

*or Call John King - 542-9639*

## JOIN THE BLUEWATER ANGLERS

If you would like to meet some great fishermen, learn new fishing techniques and where the fish are biting or participate in some worthwhile activities, then you should fill out the membership application in this newsletter.

During the year we have six membership meetings with guest speakers, fishing clinics, door prizes and an update on club activities. Members receive newsletters, that contain club news, upcoming event, fishing tips, etc. We have a good working relationship with the M.N.R. and can be your voice to bring your concerns about the fishery to their attention.

One of our main goals is to continue to improve the fishery in lower Lake Huron. Our fish hatchery located just north of the Bluewater Bridge, stocks out annually over 200,000 salmon and rainbow trout. We sponsor a number of events each year that include the Sarnia Salmon Derby and Sportsmen Show.

If you are concerned with the fishing in lower Lake Huron and would like to improve the fishing quality, then perhaps you should consider joining our organization and become an active member. It is a great way to make new friends and become a better fisherman.

## CLUB FALL OUTING

Our Annual Club Fall Derbies are scheduled for the months of September and October. September being the month for salmon entries and the month of October for rainbows. Derby boundaries and rules are the same as for the Spring Sarnia Salmon Derby. Weigh-in is at either The Outdoorsman or Nearly New Sports during normal working hours.

Prizes will be awarded at the November General Membership Meeting.

The Bluewater Anglers wish to thank the Management of "The Wharf Fish & Chips" for their generous donation and support in sponsoring these two events.

## BROWN TROUT FISHING

### On the Rise!

During last spring's derby, anglers registered the highest numbers of brown trout (214) in derby history.

The real hot spot for browns was area waters from Bright's Grove to Port Franks. Most of the action occurred while trolling in shallow water with body bait type lures. Ranking second was the St. Clair River area between Corunna and the Bluewater Bridge. Shore and pier fishermen who were doing best were fishing spawn on bottom or cast 2/5 oz. spoons like crocodile stubbies.

Most of the browns caught during last spring's period were under 5 pounds and things look good for the years to come.

Presently browns have moved into the elevator slip area and are being caught by casting small silver/blue spoons or using a worm and bobber combination.

## 1995 SALMON DERBY

Starting September the 19th, 1994 the 1995 - 19th Annual Samia Salmon Derby Committee will start to put the gears in motion for next spring's fishing event, which runs from April 29th - May 14th, 1995. During this meeting we will be looking for someone to chair the derby and committee people to head up and co-ordinate the various activities. Also, we will be reviewing the 1994 format and expenditures and implementing any new ideas for the 1995 derby.

We are looking for 15 - 20 club members to volunteer some of their time towards this worthwhile cause. The various activities that you could get involved in are - ticket sales, advertising, weigh-in stations, sponsors, media coverage and prize collections, etc.

If you are interested in being a part the 1995 derby committee, you can contact Pete Bothwell at - 869-4611.

## Summer Events Calendar

Membership Meetings - E.C.W.U. HALL, Corner of Indian Road & Devine St.

Doors Open 7:00 p.m. — Meetings start at 8:00 p.m.

### Thank You

Bluewater Anglers would like to thank Nearly New Sports and The Outdoorsman for being our official weigh-ins for our club derbies. Your support and assistance in the running of these club outings is greatly appreciated.

### Special Kid's Outing

On June 4th the Bluewater Anglers held it's 15th Annual Special Kids Outing. Kids from the Rotary Children's Place, Huron House Boys' Home, Big Brother and Big Sister organizations took part in this annual event.

For some of the kids it is their only opportunity to get out and fish, and from the smiles on their faces, I'm sure it was a memorable one.

Special thanks to Bluewater Bridge Authority, Wharf Fish & Chips, Nearly New Sports, Efton Gibb, Larry Doan and all the other Bluewater Angler Volunteers for a job well done.

### Mackinac Festival

July 15, 16, 17

The Bluewater Anglers are looking for volunteers to help out at our food and refreshment booth during this year's MACKINAC FESTIVAL WEEKEND under the Bluewater Bridge in Pt. Edward.

If you would like to volunteer a few hours of your time, we encourage you to contact Pete Bothwell @ 869-4611.

We will require 2 or 3 volunteers per 3 to 4 hours shift. Join in the fun and sign-up for this worth-while cause. All profits will go into our hatchery account.

### Garage Sale

The Bluewater Anglers are having a GARAGE SALE, July 16th at the Hatchery. We need your help to raise money for our Hatchery Operation. Your donations will be greatly appreciated. *Please NO clothes.*

For any further information, contact Dave Laird at 337-9333 or drop off at the Hatchery on the dates below.

Here is an opportunity to clear out some of your unusable items to be used on a worth-while cause.

Drop Off Dates: July 2, 7:00 - 9:00 p.m.

July 14, 7:00 - 9:00 p.m.

### Weigh-in Station Volunteers

#### "Thank You"

On behalf of the Salmon Derby Organizing Committee, I would like to thank the many volunteers who helped out at both the Port Franks and Sarnia weigh-in stations.

Without your support, the gals running these two weigh-in stations would have been under a great deal of pressure just trying to keep up to the higher numbers of fish that were brought in.

Thanks again, your support was greatly appreciated.

Pete Bothwell, Derby Chairman

### Fish Fry

On May 14th, the Bluewater Anglers held their first annual Salmon Derby Fish Fry at the Ex-Serviceman's Club in Pt. Edward. This event was a complete sell-out and raised \$980.00 for our hatchery account.

Manny Camano, Jim Daborn, Maurice Simard and their group of volunteers did a great job. Special thanks also to all the many anglers who donated fish for this event.

### Club Kid's Derby

On SUNDAY, JULY 10th, bring your Kids to the Club Kid's Derby sponsored by AMOCO CANADA. All kids welcome as long as accompanied by BWA Member. Fish where-ever you like (but please catch and release unless you're going to eat them!!!) and bring your stories back to the HATCHERY at 12:00 for lunch and prizes. Rain or shine - see you there.

Call Larry Doan for more info... 336-7025

## Salmon Derby Report

As the following statistics will show, this year's event was one of our best derbies ever. After the first week, we were well on our way to setting a new derby record with over 2100 fish entered. However, weather slowed things down for the second week with just under a 1000 fish being entered. This year's derby was our third best derby ever.

Walleye and brown trout had a tremendous impact on our derby, registering the highest numbers ever. Cold water temperatures kept the bait from moving toward shore to spawn and our salmon and rainbow numbers were down.

It is important that anglers realize that the success of the Sarnia Salmon Derby and Bluewater Anglers Stocking Program is based on the support and donations from our many sponsors.

In all we have over 180 sponsors who are responsible for helping in sustaining this area's great sports fishery. The next time you make a purchase, please consider doing business with one of our many sponsor. (see back page)

Special thanks to Gary Ballard for once again being our MC at our awards presentation, and his collection of sponsors in the Heritage Fishing Series.

Special thanks to all of this year's committee members and to those who helped out at the weigh-in stations. It's been a pleasure to work alongside people that showed great co-operation in putting together what I feel was one of our best derbies ever.

Thanks also to Pearson Equipment Rentals for providing trailers at both weigh-in stations.

Once again, my deepest appreciation to you all!

Pete Bothwell, Chairman

TOTAL	2023	1030	3053

TOTAL WEIGHT OF ALL FISH - 16,680 lbs. Average Weight / fish - 5.47 lb.

## Hatchery Tour Committee Report

Great interest was shown again this year by the citizens of Sarnia-Lambton.

Our "Open House" attracted approximately 800 people, including many parents with their children. Those who toured the hatchery were impressed and amazed with the process of raising fish from an egg to the point of stocking the fish to the St. Clair River and Lake Huron from Sarnia Bay to Bright's Grove.

Since January 1994, many toured in groups, such as Scouts, Cubs, Beavers, Girl Guides and Church Youth Classes, some working to earn badges, others on school projects.

### Groups who participated were-

Cub Scouts	163
Scouts	61
Beavers	36
Girl Guides	55
Other Youth Groups	30

We invite all groups and individuals to tour the fish culture station from September to May.

Many thanks to the all Bluewater Anglers who volunteered their time and help.

**Tour Committee**      Maurice Simard, Chairman  
Al Dezort  
Efton Gibb

## Hatchery Report

Another hatchery season is completed. First and foremost, a special thanks to those individuals who gave of their time to help at the hatchery.

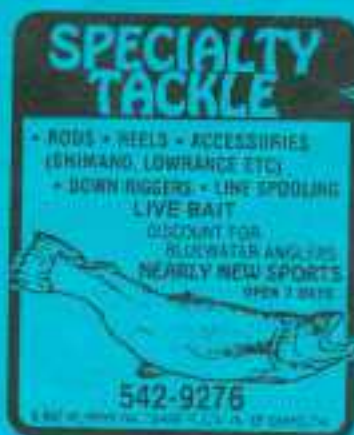

There will be some activity around the hatchery this summer, to do some much needed repairs and replacement of some of the equipment.

The stock-out program again released up to 200,000 salmon and about 25,000 trout.

We also had an unusual release of over 500 salmon and 10 trout that escaped their tanks and took up residency in the surge pond outside the hatchery building. One of the trout weighed in at just under three pounds.

Have a good summer and good fishing.

John King

#### Agenda

- Spring Salmon Clinics
- Hatchery Update
- Membership
- Derby Early Bird Draw
- Swap Table
- Draw Prize

## March 9th Meeting Jigging Salmon

**Pete Bothwell** will speak on this recent trip to Vancouver Island and compare West Coast fishing techniques to that of the Great Lakes. Pete's main topic will be jigging for salmon. I'm sure you will find this hands-on approach extremely interesting.

**Ken Burke** will speak on the declining Thames River and Lake St. Clair walleye population.

## 1994 Executive & Directors

<b>President:</b>	Dave Large
<b>1st Vice President:</b>	John King
<b>2nd Vice President:</b>	Bill Dumbrauskas
<b>Recording Secretary:</b>	John Knight
<b>Treasurer:</b>	Vince Peseski

## SPECIAL KID'S OUTING

Saturday, June 4th

This years "Special Kid's Outing" for our area handicapped children and kids from the Big Brother and Big Sister organizations will once again take place at the Bluewater Bridge Pond from 10:00 am to 1:30 pm. Once again, we have The Wharf Fish & Chips, as our sponsor.

For some of these kids it is their only opportunity to get out fishing, so let's make it a memorable one. Please volunteer and be at the pond by 9:30 am to help.

The Bluewater Anglers would also like to thank the Corona Rotary for their generous donation to this worthwhile event.

For further information - contact Doug Timperley  
542-9276

## Club Walleye Tournament

This Walleye Tournament runs for the entire month of June and is for **CLUB MEMBERS ONLY!** Derby rules and boundaries apply and prizes will be awarded for the largest walleyes and a draw prize will be made from all fish entered.

Weigh-in Station will be at **NEARLY NEW SPORTS** during normal working hours.

Prizes will be presented at September's Membership Meeting

For any further information,  
contact Bill VanVaalen - 332-0593.

## Bass Haven

*Complete Fishing & Duck Hunting Outfitters*

## Garage Sale & Mackinac Weekend

**DON'T THROW IT AWAY, DON'T STORE IT AWAY IN THE GARAGE.** Give it to the Bluewater Anglers and we will turn it into **Fish Food** to feed our hungry hatchlings. We will accept anything but clothing and large furniture (exceptions possible). We would like to see a larger selection of fishing equipment & sports equipment.

Contact: Dave Laird 337-9333  
Bill VanBaalen 332-0593  
Bucky Wright 336-9499

## SARNIA SALMON DERBY

APRIL 30 - MAY 15

This year's event will once again offer upwards to \$75,000 in cash and merchandise prizes. Outboard Marine Corporation has been our major corporate sponsor since 1980 and have donated two 9.9 HP and one 8 HP Johnson and Evinrude outboards for this years event. Other major prizes have been donated by Abbotts Boats Inc., People's Jewellers, The Brick, P. Lawson Travel, U.S.G. Babbitt, Bluewater Padded Accents, Pt. Edward Optimists, Eagle, Bass Haven, Berkley and Mosquito Charters.

This year's event will also have one week fishing package prizes in all three fish categories, compliments of Blake's Wilderness Outpost Camp, Island Lake Camp and Land O Lakes Lodge.

In all we have over 150 sponsors for this year's event. The next time you make a purchase or plan a fishing trip, please consider doing business with one of these quality sponsors, who supported this year's derby.

For additional information, visit one of our many ticket outlets or visit our ticket information booth at this year's Sportsmen Show. Remember in order to qualify for the Early Bird Draw, you **must** purchase your ticket by March 31, 1994.

The 1994 Derby will also be part of the 1994 Heritage Fishing Series with their collection of Series Sponsors. Gary Ballard of 2001 Marketing and Promotions, will be MC for this year's Awards presentation on May 25.

Statistics from last years derby shows that we are really starting to reap the benefits of our hatchery program.

Good luck and Good fishing .....

**Pete Bothwell**

Chairman, Sarnia Salmon Derby

**SPECIALTY TACKLE**

- RODS • REELS • ACCESSORIES (SHIMANO, LOWRANCE ETC)

## Hatchery Report

In October several members journeyed to AuSable Falls and Owen Sound for our annual Salmon egg gathering. The time of the trip and full run of the salmon didn't quite coincide this year. The group had to work extremely hard to fill our quota of 200,000.

On December 31, Larry Doan and John King travelled to Thamesford and the Wildcat Trout Farm to bring back 25,000 eyed up rainbow eggs. This trip was a bit too timely as the rainbow blessed event started the next day.

Both species are now swimming in their tanks and have begun to take starter food. The rainbow as was last year are doing extremely well.

A power failure, coupled with the failure of the water pumps to kick-in when the emergency generator activated, caused the water level in the tanks to drop. This lower level seems to have stressed the salmon particularly and we are waiting to see if there are any adverse effects from this event.

For you members and your family who wish to tour the fish culture station, March 5th and 6th are open house days, with guided tours.

Our hatchery, as a completely volunteer operation is highly praised by other organizations and the Ministry of Natural Resources. During the Mackinac weekend may local residents toured the hatchery and the common remarks were "I've lived around here (Sarnia, Point Edward) for many years and didn't even know this existed and I'm quite impressed; it is very interesting".

Come on out to the Blue Building under and just north of the Bluewater Bridge and see for yourself.
