

Evesham Electronics

Quality Policy Statement

ISO 9001:2015

"Design, development, and manufacture of custom-built harnesses and Telecom Rack Solutions"

The continuing Policy of Evesham Electronics is to provide a high quality and professional service to ensure the satisfaction of all customer and applicable legal requirements.

This will be achieved through excellent customer focus and a continual improvement culture.

Company management will display responsibility for establishing, implementing, integrating, and maintaining the Quality Management System. We aim to ensure sufficient resource is made available within our organisation to achieve this. We aim to ensure that through communication and training that Quality is the aim of all members of staff.

Evesham Electronics promotes a culture of continual improvement and setting of Quality Objectives in accordance with the requirements of ISO 9001:2015. These objectives will address risks and opportunities as determined by top management. Evesham Electronics will establish measurable objectives which will be reviewed regularly to ensure continual improvement.

Our Quality Management System will be monitored, measured, and regularly evaluated by top management with regular reporting of its effectiveness.

David Blower
Managing Director
