CONGRESSMAN STENY HOYER ENDORSES ANGELA ALSOBROOKS FOR U.S. SENATE

*This endorsement comes in addition to more than 40 Leaders and Lawmakers from across
Maryland mobilizing to support Angela for Senate*

SUITLAND, MD – Angela Alsobrooks received a major endorsement from Congressman Steny H. Hoyer (MD-05), former house majority leader and current congressman of the fifth congressional district, in her run to be Maryland's next United States Senator.

“I proudly offer Angela Alsobrooks my endorsement for the United States Senate,” said Congressman Steny H. Hoyer (MD-05), dean of the Maryland Congressional Delegation and former House Majority Leader. “It’s rare to find leaders who understand and respect history while putting forward a bold vision for the future. I have long known that Angela is one of those exceptional leaders. I ask all Marylanders to join me in sending her strong, experienced, and compelling voice to the United States Senate.”

Angela runs on a strong record of public service, growing economic opportunities and creating jobs, enhancing schools, increasing access to mental health and addictions care treatment, and working to make communities safer.

“I am honored to receive the endorsement and support of Congressman Hoyer, who has been a wonderful colleague, mentor and friend, offering his partnership and spirit of collaboration throughout my career,” said Alsobrooks. “I will work to ensure that all Marylanders have what I want for my own family; safe communities, access to a quality education, jobs and economic opportunities. We will go farther together.”

Angela has spent her life in public service. After law school, Angela worked as a law clerk for the Howard County Circuit Court and later the Baltimore City Circuit Court, before becoming a line prosecutor in the Prince George's County State's Attorney's Office. Angela, who served two terms as Prince George's County State's Attorney and is the sitting County Executive, is running for the U.S. Senate to be a voice for the families she's worked for throughout her life.
