INTRODUCTION

1.1 Project Overview

Lost Pepe ($LostPepe) is an innovative token that merges the beloved Pepe meme with an exciting storyline. Pepe finds himself lost in space, creating a captivating narrative that forms the foundation of the project. The goal is to leverage the widespread appeal of the Pepe meme to create an engaging and entertaining experience for token holders.

1.2 Purpose of the Whitepaper

The purpose of this whitepaper is to provide a comprehensive guide to the Lost Pepe ($LostPepe) project. It aims to offer potential investors, community members, and stakeholders a detailed understanding of the project's objectives, mechanics, and the upcoming mobile game, "Find Pepe." The whitepaper outlines the core features of the token, its utility within the ecosystem, and the development roadmap.

INTRODUCTION

1.3 Objectives

The primary objectives of Lost Pepe ($LostPepe) are as follows:

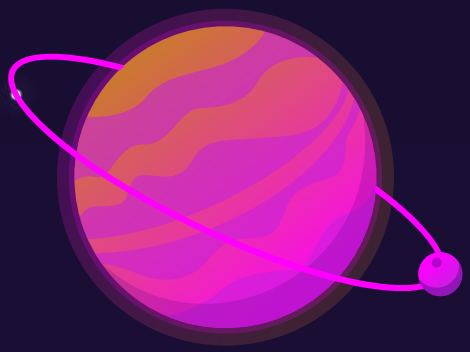
- To introduce a unique token that combines the Pepe meme with an immersive storyline, offering both entertainment and investment opportunities.
- To develop the mobile game, "Find Pepe," which plays a central role in the Lost Pepe ($LostPepe) ecosystem, enabling users to embark on an exciting quest to locate Pepe in space.
- To foster an active and engaged community around Lost Pepe ($LostPepe) through gamification, incentives, and community governance.
- To establish a sustainable economic model that rewards token holders and ensures long-term growth and stability for the project.

INTRODUCTION

1.4 Disclaimer

This whitepaper provides information about Lost Pepe ($LostPepe) and its associated mobile game, "Find Pepe." However, it does not constitute financial or investment advice. Potential participants should conduct their own research and seek professional advice before engaging with the project.

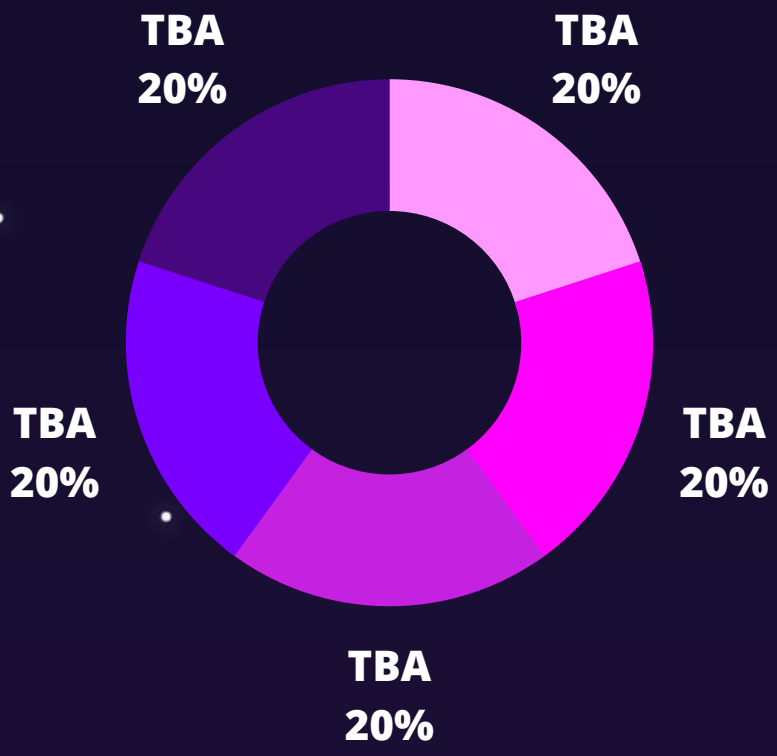
By dividing the introduction section into points, it allows for a clearer and more concise presentation of the project's overview, purpose of the whitepaper, objectives, and a disclaimer for readers.



TOKEN OVERVIEW

2.1 Tokenomics

- Token Name: Lost Pepe
- Token Symbol: $LostPepe
- Total Supply: 69.420.000



All the token supply distribution will be announced at public presale start

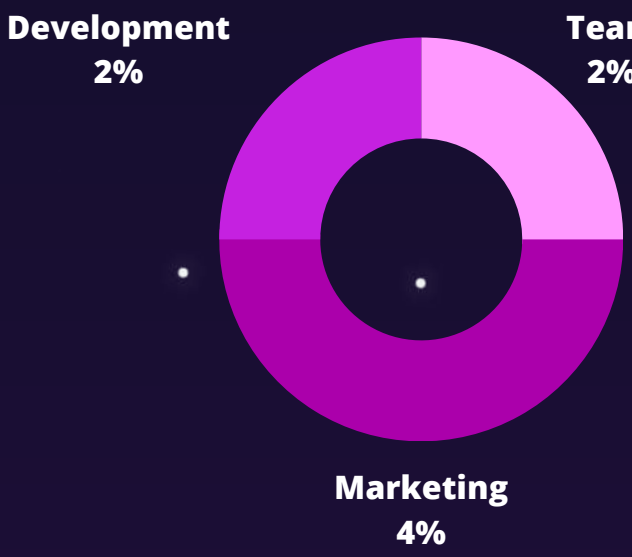
TOKEN OVERVIEW

2.1 Tokenomics

Taxes:

BUY TAX: 8%

SELL TAX: 8%



TOKEN OVERVIEW

2.2 Token Sale and Distribution

The token sale and distribution will be carried out as follows:

1. Private Presale:
   - Allocation: 10% of the total token supply
   - Details: A private presale will be conducted, offering a portion of the tokens to a select group of investors at a predetermined price.
2. Public Presale on Pinksale:
   - Allocation: 40% of the total token supply
   - Details: A public presale will take place on the Pinksale platform, allowing a broader community to purchase tokens at a set price before the public launch.
3. Launch on PancakeSwap:
   - Allocation: 50% of the total token supply
   - Details: The remaining portion of tokens will be allocated for the launch on the PancakeSwap decentralized exchange. Users will be able to trade and acquire $LostPepe tokens by providing liquidity on the exchange.

TOKEN OVERVIEW

2.3 Token Utility

The Lost Pepe ($LostPepe) token serves various purposes within the ecosystem:

- Governance: Token holders can participate in community governance, including voting on proposals and shaping the project's future.
- Rewards: Holders of Lost Pepe ($LostPepe) may be eligible for rewards, such as staking rewards, yield farming, or participation in the game's economy.
- In-Game Currency: The token will serve as an in-game currency within the mobile game, "Find Pepe," allowing players to make in-game purchases and unlock special features.

ROADMAP

Phase 1: (Pre-Launch)

- Smart Contract Creation: Develop and deploy the smart contract for Lost Pepe ($LostPepe) token.
- Website Launch: Launch an official website for Lost Pepe, providing information about the project, team, and token.
- Community Building & Marketing Push: Engage with the community through social media channels, conduct marketing campaigns to create awareness, and build a strong community around Lost Pepe.
- Whitepaper Launch: Release a comprehensive whitepaper detailing the project's vision, tokenomics, and roadmap.
- Private Presale: Conduct a private presale of the token, offering a portion of the tokens to select investors.

ROADMAP

Phase 1: (Pre-Launch)

- 1,000 Telegram Members: Aim to reach a community of 1,000 members on the Lost Pepe Telegram group.
- Presale Launch: Launch a public presale of the token to allow wider participation and token acquisition.
- Token Launch: Officially launch the Lost Pepe ($LostPepe) token.

Phase 2: (Launch)

- Launch on Pinksale: Conduct a public presale on the Pinksale platform to expand token distribution.
- 3,000+ Holders: Aim to have 3,000 or more token holders, increasing the decentralization and community engagement.
- 3,000 Telegram Members: Expand the Telegram community to 3,000 members, fostering active discussions and information sharing.

ROADMAP

Phase 2: (Launch)

- Listing on CoinGecko: Get the Lost Pepe token listed on the CoinGecko platform, increasing visibility and access for potential investors.
- Listing on CoinMarketCap: Seek listing on CoinMarketCap, one of the most prominent cryptocurrency data platforms.
- Influencer Marketing Partnerships: Collaborate with influencers in the cryptocurrency and meme communities to further promote Lost Pepe and reach a wider audience.

Phase 3:

- More Marketing Campaigns: Launch additional marketing campaigns to maintain momentum and expand the project's reach.

ROADMAP

Phase 3:

- Start Game Development **(Subject to Token Success and Community Interest)**: Upon successful token launch, widespread adoption, and continued community interest, the development of the mobile game, "Find Pepe," will commence. The decision to start game development will be based on the project's success and the ongoing engagement and support from the community. This approach ensures that resources are allocated effectively, prioritizing the development of the game if the token achieves the desired milestones and maintains a vibrant and interested community.

ROADMAP

Phase 3:

- 10,000 Telegram Members: Continue to grow the Telegram community, aiming to reach 10,000 members for enhanced engagement and support.
- More to be Announced: Prepare for further announcements, partnerships, and developments as the project progresses.

By following this roadmap, Lost Pepe ($LostPepe) will gradually build its presence and community, conduct token sales, launch the game, and expand marketing efforts to drive adoption and engagement.

"FINDING PEPE" MOBILE GAME

The "Find Pepe" mobile game is a central component of the Lost Pepe ($LostPepe) ecosystem, offering an interactive and immersive experience for token holders. In this game, players embark on an intergalactic adventure to search for Pepe, who has gone missing in space. Using a spaceship, players navigate through different galaxies, solving puzzles, overcoming challenges, and collecting rewards along the way.

4.1 Gameplay Features

- Intuitive Controls: The game will feature easy-to-use controls, allowing players to navigate their spaceship and explore various locations.
- Exploration and Discovery: Players will travel through visually stunning galaxies, uncovering hidden secrets, and encountering unique characters and creatures.

"FINDING PEPE" MOBILE GAME

4.1 Gameplay Features

- Puzzle Solving: Engaging puzzles and challenges will test players' problem-solving skills as they progress through the game.
- Reward System: Successful completion of quests and challenges will earn players in-game rewards, which can be used to unlock special features, customize their spaceship, or enhance gameplay.
- Community Interaction: Players will have the opportunity to interact with other Lost Pepe ($LostPepe) token holders within the game, fostering a sense of community and collaboration.

"FINDING PEPE" MOBILE GAME

4.2 Integration with Lost Pepe Ecosystem

The "Find Pepe" mobile game will be intricately linked to the Lost Pepe ($LostPepe) token ecosystem, offering various synergies and benefits:

- In-Game Currency: Lost Pepe ($LostPepe) tokens will serve as an in-game currency, allowing players to make purchases, unlock exclusive content, and enhance their gaming experience.
- Token Rewards: Players may earn additional Lost Pepe ($LostPepe) tokens as rewards for their achievements and progress in the game.
- Community Engagement: The game will provide a platform for Lost Pepe token holders to interact, collaborate, and compete, fostering a strong and engaged community.

"FINDING PEPE" MOBILE GAME

Please note that the development of the "Find Pepe" mobile game is subject to the success of the Lost Pepe ($LostPepe) token and the continued interest and support from the community. The decision to proceed with game development will be based on achieving specific milestones and ensuring the project's overall success.

LEGAL AND COMPLIANCE

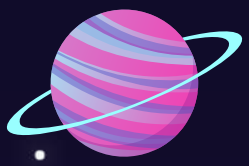
Lost Pepe ($LostPepe) is committed to adhering to all applicable legal and regulatory requirements to ensure a compliant and transparent ecosystem. Key considerations in this area include:

5.1 Regulatory Considerations and Compliance Efforts

- Compliance Framework: Lost Pepe will establish a comprehensive compliance framework to ensure adherence to relevant laws, regulations, and guidelines, including but not limited to anti-money laundering (AML) and know your customer (KYC) regulations.
- Jurisdictional Compliance: The project will proactively assess and comply with regulations specific to the jurisdictions in which it operates, seeking legal counsel and engaging with regulatory bodies as necessary.

LEGAL AND COMPLIANCE

5.2 Intellectual Property Rights and Licensing



- Protection of Intellectual Property: Lost Pepe will take measures to protect its intellectual property rights, including trademarks, copyrights, and patents associated with the project and the "Find Pepe" mobile game.
- Licensing Agreements: The project will secure any necessary licenses or permissions required for the use of intellectual property assets and ensure compliance with relevant licensing agreements.

By prioritizing legal and compliance efforts, Lost Pepe aims to provide a secure and legally compliant environment for token holders while protecting its intellectual property rights and ensuring appropriate licensing for the project's assets and game.

CONCLUSION

Lost Pepe ($LostPepe) presents an exciting and innovative project that combines the popularity of the Pepe meme with the blockchain technology and gaming industry. With a unique storyline featuring Pepe's journey through space and the development of the "Find Pepe" mobile game, Lost Pepe aims to captivate and engage a wide audience of token holders and gaming enthusiasts.

Throughout this whitepaper, we have outlined the key aspects of Lost Pepe, including its tokenomics, token utility, token sale and distribution, roadmap, and the integration of the "Find Pepe" game. By incorporating a strategic token sale and distribution plan, we aim to ensure a fair and controlled token launch while fostering a vibrant and supportive community. Lost Pepe is committed to legal and regulatory compliance, prioritizing the protection of intellectual property rights and adhering to applicable regulations. We recognize the importance of creating a secure and transparent ecosystem for our token holders and stakeholders.

CONCLUSION

As we move forward, Lost Pepe will continue to focus on development, community engagement, and expansion. We will regularly update the "Find Pepe" game, seeking community feedback and exploring partnerships to enhance the gaming experience and provide additional value to our token holders. Our ongoing commitment to compliance and intellectual property protection will ensure a strong foundation for the project's long-term success.

Join us on this exciting journey as we embark on an intergalactic adventure with Lost Pepe and the quest to find Pepe in space. Together, we can shape the future of blockchain gaming and meme-inspired tokens.
