DAVID PITTMAN, P.E.

PROJECT MANAGER

(262) 548 - 6439

David.Pittman@dot.wi.gov

Si desea un intérprete que hable español en la reunión, comuníquese con David Pittman (david.pittman@dot.wi.gov) al menos tres días hábiles antes de la reunión.

Hearing and visually impaired individuals may request special accommodations by calling Wisconsin Telecommunication Relay System (TTY) at 711.

These meetings are the first of several public meetings that will be held throughout the course of the study. Staff will be on hand to answer questions, explain the study and explore the initial concepts. The same information will be displayed at both meetings. Materials will be posted on the website following the meeting.

We appreciate your thoughts and look forward to continued feedback on this study!
