

## BIG GAME HUNT IN IRAN

**Hunting Season:** Hunting season normally starts from late of August till 6<sup>th</sup> of October and again from 6<sup>th</sup> of December till 15<sup>th</sup> March.

**Available Games:** (9 different sheep, 2 different Ibex and 2 different Gazelle)

- Transcaspien Urial, Afghan Urial, Blandford Urial, Armenian, Red, Esfahan, Kerman, Shiraz and Laristan sheep
- Bezoar Ibex and Persian Desert Ibex
- Goitered Gazelle and Jabeer Gazelle

**General Conditions:** We get Iranian visa entry reference number and send it to the closest Iranian embassy or consulate to your resident and you can send your passport or refer to the embassy and get your visa. You will be met by representative of the company at Tehran airport with proper import permit of your rifle in his hand and you will be cleared custom in no time. We will do exactly the same on departure. Accommodation in Tehran will be in 5\* hotel and while you are hunting, you are going to stay in guest house in different reserves which belong to the game department, it is simple lodge and mostly equipped with bed and blanket, hot water shower and 220V electricity. All the reserves and protected areas in Iran belong to the Government and game department is the only authority which has right to decide about the permits. There are almost three active outfitters in Iran and are treated in a same way by the game office to get equal permits in terms of quality and quantity.

**Price List:** Three days hunt for each animal and it covers the following services and costs:
