

Fallow deer Hunt in Hungary

ARRANGEMENT 2024-2025

Here you can also hunt for Moufflon, Red stag Common, Roedeer, and Wild boar. Every year we do many driven wild boar hunts there. Here the hunting is still a unique and grand adventure. It is truly a must visit location, as there is nothing quite like it anywhere else.

Fallow deer can grow to a trophy size up to 4,5 kg in this area. Over the past years we were able to take fantastic trophies and experience unique moments with our clients during the hunting trips.

## Hunting Fallow deer

In this area it is possible to the mouflon sheep all year round. Hunting for fallow deer is a tradition in our country and after all the decades we have a lot of experience on our side and wonderful memories on our minds. In our recent years we managed to hunt a few fallow deer which made it to the SCI world record book.

Shooting and editing of a professional video film during the hunt/ at the prior request of the client or a group of hunters /- 4000€.
