Location & hunting:

The best Brown Bear hunting is right on the northern coast of Croatia approx. 2h southwest of Zagreb.

If you look on the Croatian Map you will see the Coast city of RIJEKA in the very north of the Croatian coast and from this city approx. 1-1,5h south is where we would be hunting.

You can either fly in to Zagreb by commercial flight or to Rijeka by private plane.

The main Species to be hunted will be brown bear. Usually, you hunt the bear from later afternoon until late evening/night waiting on a high seat. The bears are baited and come to the feeder usually every evening.

From later morning until afternoon, we could also hunt for in the mountain range next to the accommodation. Further there is option for Red Stag (rutting season), Mouflon Ram and Wild boar close to the hotel.

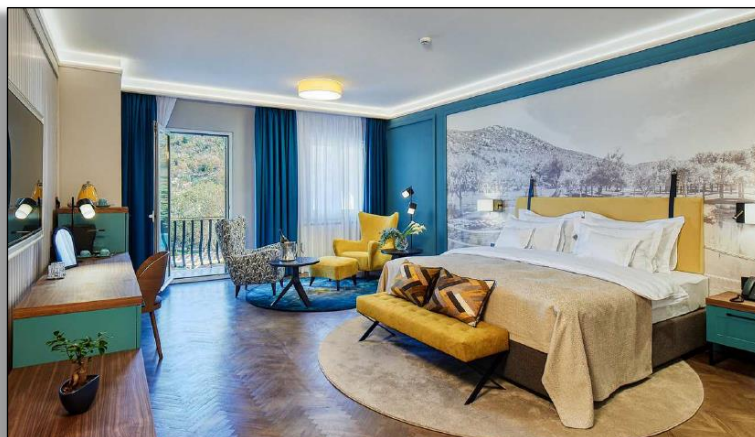

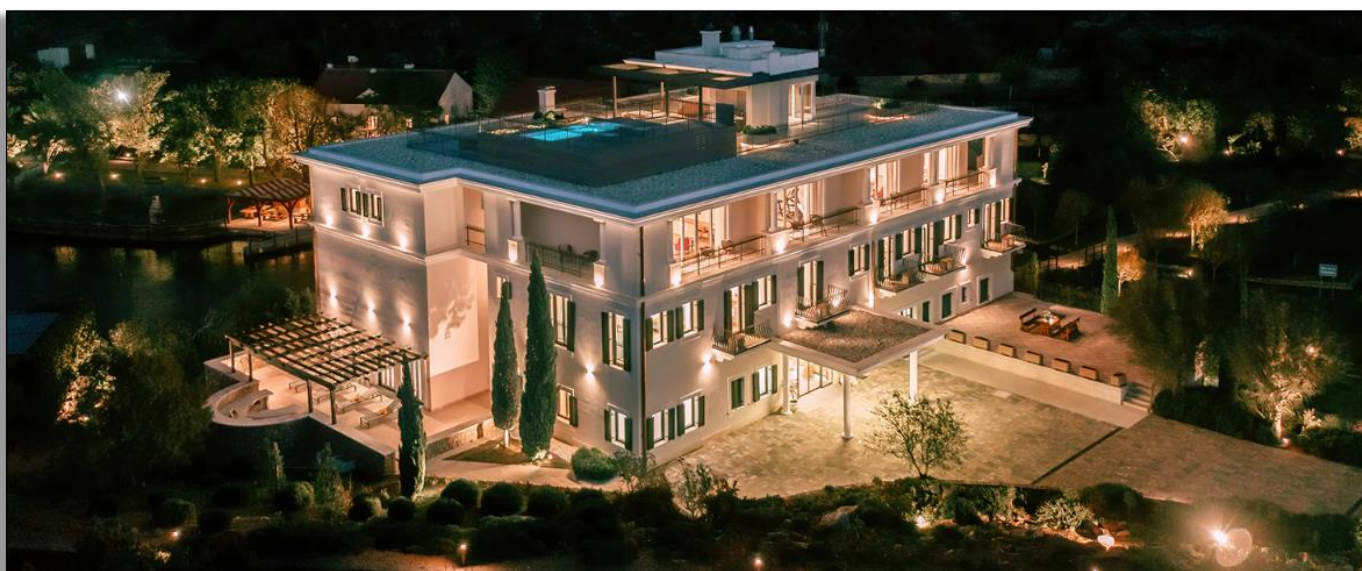

The hunting areas are within 20-40 min from the accommodation.

Accommodation:

For outlined program we recommend to stay at the Boutique Hotel VELADRION which is located about 20-30 minutes from the hunting areas right on the coast. They offer different room types from standard double room to presidential suite.

Standard room included in Daily rate.

Higher category room upgrade ~€ 300 - € 500 (Presidential suite) per room, per night
