Another summer season is upon us in Alaska and we are excited to be out on the rivers again! We've got a few spots left for Summer 2024 and 2025-

now is the perfect time to get on the schedule. If you are looking for a getaway from the summer heat of the lower 48, there's no better place than to spend it in Alaska in the summer!

Fill your days with fishing for Salmon, Grayling, Northern Pike, Trout, Arctic Char, etc. There's plenty of fishing to be had! Or switch out a few days for bear viewing or touring in the National Park and bring your camera.

From Anchorage, you'll arrive to the Lodge on Sunday afternoon. Get settled in and geared up for the week of fishing. You'll depart back to Anchorage on Friday late afternoon or anytime on Saturday.

You will find all the qualities of a world class lodge- it has a classic yet rustic feel and offers 10,000 square feet of contiguous space and all modern amenities rarely found off of the road system in Alaska. Our guests stay in the main lodge and most rooms have a queen and twin in the room as well as a private in-suite bathroom. The lodge has in floor heat thermostatically controlled, 24 hour electricity, telephone or wi-fi calling services, and Wi-fi. There is an adjoining den, library, sauna, and recreational room open for conferencing and debriefing.
