## BOOKING POLICY

### I. TERMS AND CONDITIONS

1. The office hours are from 8:00 am to 5:00 pm (local time). Our staff will not be able to assist you immediately outside of those hours.
2. The prices are based on the local currency (USD) and may vary without prior notice. They do not include taxes or the mandatory insurance for each vehicle.
3. The rental rates are calculated based on 24-hour periods, however, the customer is responsible for specifying the time of their reservation. We do not offer credit for unused time, nor do we take responsibility for the number of hours selected by the customer in the reservation system.
4. To complete the reservation, full payment is required. Additionally, the customer must present a valid driver's license and the credit card used as the payment method in order to pick up the vehicle. Vehicles are not dispatched without the presence of the renter.
5. Rentals are only allowed for drivers over the age of 21; age is confirmed with a valid identification. Units are not dispatched to drivers without a valid driver's license.
6. The golf cart insurance costs \$15 per unit, per 24 hours. The following deductibles apply:
  - a. \$25 – Damages valued between \$50 to \$100
  - b. \$50 – Damages valued between \$101 to \$249
  - c. \$200 – Damages valued between \$250 to \$999
  - d. \$500 – Damages valued from \$1,000 and above, including theft cases.
  - e. Note: Charges below \$50 are not covered by the insurance (keys, security cables, gasoline, among others).
7. **Security deposits:** Cash is not accepted, only credit cards with Visa or Mastercard logos. The amount varies:
  - a. Golf carts – \$100 per unit
  - b. Self-checkout (returns after 5:00 p.m.) – \$500 per unit
  - c. Note: If you opt to use a debit card for the security deposit, the amount will be \$500 per unit, irrespective of the model and return time.
8. The security deposit is not a charge per se; it is an amount of money available on your credit card that gets temporarily held in case of damages and/or accidents. After returning the vehicle, that amount is released automatically. However, the transaction may take several days to complete, depending on your banking institution.
9. **Public Liability Insurance:** In the event of an accident due to negligence, the customer will be responsible for a \$500 deductible to cover damages to third-party property or bodily injuries, both within and outside of UTV Rental facilities. This insurance does not cover medical expenses for the customer and/or their passengers, nor damages to the rented vehicle.
10. We do not accept third-party insurances to cover damages and/or accidents.
11. In each vehicle, there must be a person over the age of 21 with a valid driver's license.

12. Smoking is not allowed in rental vehicles. If a representative detects the smell of smoke, ashes or cigarette butts, cigarette burns, stains, or any other evidence of smoking, a fine of \$250 will be applied.
13. The customer must use the provided security cable for golf carts while their vehicle is not in use. Units that are found without this cable anywhere on the island may be removed by UTV Rental staff, and a fine of \$100 will be applied.
14. The mandatory insurance does not cover fines or penalties.
15. UTV Rental will cover the towing service in case of a mechanical breakdown. However, if the breakdown occurs in an **unsuitable area** for vehicles, the customer will be responsible for paying a \$100 fine, plus the towing and/or extraction fee.
16. We offer complimentary transportation from **8:30 a.m. to 4:30 p.m.** (local time). Our official vehicle makes multiple stops throughout the day, including the airport, the pier, and our facilities. As a result, we do not have specific pickup schedules. For those with time constraints, we highly recommend opting for private transportation.
17. Our schedules are in local time (Puerto Rico). We are not responsible for any confusion or changes in schedules of other means of transportation.
18. Before dispatching a vehicle, an inspection is conducted between the customer and one of our representatives to verify its physical condition, cleanliness, fuel level, and overall functioning. Claims made after signing the report and leaving the premises will not be considered.
19. In the event that a vehicle is returned excessively dirty, a cleaning fee of \$25 will be charged per unit.
20. The gasoline should be at the same level as when it was dispatched; otherwise, a charge of \$10 per ¼ of missing gasoline will be billed.
21. The customer will be responsible for paying parking tickets, traffic violations, or other citations received while in possession of the rented vehicle. Any tickets received after your visit, and that correspond to your reservation, will be charged to the registered credit card.
22. In case of lost or stolen keys, a fee of \$20 applies for the keys, and \$30 for each lost security cable.
23. **Lost registration sticker:** In the event that the windshield is broken and the customer does not bring back the piece with the registration sticker attached, the vehicle cannot be used, and an **additional charge of \$500** will be billed on top of the deductible for the broken piece. This sticker is placed on vehicles to indicate that the corresponding circulation tax has been paid, and it is required by law for all motor vehicles that circulate on the island.
24. The vehicle must be returned to our facilities at the scheduled time. Abandoning the unit outside or in another area of the island incurs an additional charge of \$100 per unit. We recommend returning the vehicle one (1) hour before your flight or ferry departure. We are not responsible for missed trips.
25. **Self-checkout:** Rentals with a drop-off between **5:00 p.m. and 8:00 p.m.** must be left in the designated areas, as there will be no staff available. The customer must attach the security cable to the vehicle, record a 360° video of the unit with good lighting, and then leave the keys in the UTV dropbox.
26. **Extended rentals:** The customer must request an extension of their reservation before the scheduled return time, and the approval must be confirmed via email by our staff. Extensions are subject to availability.
27. **Additional hours:** Reservations can be extended for a maximum of three (3) hours past the scheduled delivery time, and the approval must be confirmed in writing by our staff. An additional fee of \$15 per hour applies. Subject to vehicle availability.
28. **Late return:** A fine of \$40 is applied for every 15 minutes that elapse after the scheduled return time.
29. **Cancellations:** Reservations can be canceled at any time; however, the following terms will apply:
  - a. Cancellation with 7 days' notice – 100% refund
  - b. Cancellation with 3 to 6 days' notice – 50% refund
  - c. Cancellation with less than 48 hours' notice – 25% refund

- d. Cancellation with less than 24 hours' notice — No refund applies
- 30. **No show:** In the event that the customer fails to show up to collect the vehicle or communicate with the corresponding office before the scheduled time, their reservation will be canceled, and the total amount paid will be retained.
- 31. **Late arrivals:** We do not offer credit for unused hours. We highly recommend that customers select a schedule that accommodates their arrival and departure time.
- 32. **Force majeure:** In case of natural events or circumstances beyond our control, such as the cancellation of air or sea travel to the islands, which prevent us from providing rental services, the customer may request a refund of 75% of their reservation or receive a valid credit at all UTV Rental locations.

## II. RESPONSIBILITY WAIVER

1. I acknowledge that the operation of the vehicle will be undertaken at my own risk, and UTV Rental is not responsible for any physical damages caused by the use of rental vehicles.
2. The driver must possess a valid driver's license and comply with all applicable laws related to the operation of motor vehicles.
3. The use of seat belts is mandatory for all passengers.
4. The minimum height to use the golf carts is 4' 9" (145 cm). For safety reasons, individuals must keep their feet firmly on the ground while the vehicle is in motion. We reserve the right to rent to groups where not all occupants meet the minimum height requirement.
5. Child safety seats or booster seats are not allowed in golf carts.
6. The customer agrees to indemnify, defend, and hold UTV Rental Puerto Rico and its affiliates harmless for any loss, damage, or legal action resulting from the operation of the vehicle by themselves and/or additional drivers.
7. We are not responsible for items left in the vehicle or on our premises.

## III. SCOPE OF USE

1. The rented vehicle may be used for personal or routine commercial purposes. It may not be subleased to any individual or business, without exceptions.
2. All units must be driven exclusively on paved roads or properly maintained paths. Under no circumstances should they be driven on the beach shoreline, steep and rocky areas, or roads unsuitable for vehicles. Violation of this rule incurs a fine of \$100 without distinction, and towing and extraction charges will be applied.
3. **Unsuitable areas for vehicles:** Considering that the vehicles are not 4x4, they cannot be driven in areas such as Zoni Beach, Resaca Beach, Punta Soldado Beach, Dátiles Beach, La Romana, Loma, El Muellecito, and Villas Aleli. Other areas that are not suitable for driving may also apply.
