

TESTIMONIAL

I have been a student at Gifts of Fire Ministries for two years. It has been the most awesome time of my life to experience such authentic discipleship just like in the Bible! I have truly learned how to apply the word of God in many areas of my life; such tools I hadn't received from any ministries that I had attended before.

What's more, I have received so much healing from difficult traumas, relationships, and life since joining Gifts of Fire Ministries. That freedom has brought so much transformation to every area of my life, I can't imagine my life had I not met Mehrzad and started his curriculum. My walk with God is growing daily, and I am genuinely experiencing a relationship with the Father more intimately than I knew possible because of this ministry.

Mehrzad, is an excellent leader! He leads each of his students with so much humility, grace, patience, and the Father's love. I especially appreciate how non-judgmental he is throughout the process of healing. He meets each student where they are no matter their strongholds, addictions, and sins of any kind and leads them on the journey of healing with Christ Jesus.

Mehrzad's testimony, faith, and walk with the Lord is a huge inspiration. I can honestly say I haven't yet met another minister and teacher like him who is so humble, kind, and compassionate with their students.

It has been so awesome to connect with many people worldwide who share similar experiences as me of healing, overcoming, and becoming victorious through Jesus. I highly recommend Gifts of Fire Ministries.

MEHRZAD JAHANBIN
Founder & Leader | Gifts of Fire Ministries

Mehrzad Jahanbin is a passionate minister of the Gospel of Jesus Christ with an apostolic and prophetic calling in his life.

Born and raised in a devout Muslim family in Iran, at the age of 16, Mehrzad began seeking the truth about God through science, cosmology, psychology, mysticism, and the Islamic doctrine.

In 2011, Mehrzad witnessed the power of Jesus Christ and saw Him face-to-face in a supernatural encounter. Jesus transformed his life after fifteen years of seeking and practising Islam and mysticism. Soon after his miraculous salvation, Mehrzad was persecuted and opposed for his faith.

In January 2015, Mehrzad left Iran and immigrated to Australia.

Close to giving up his faith after losing everything, Jesus appeared to him again and gave him the mandate to inspire faith in believers, empower the persecuted and make disciples for Christ of all nations.

In 2016, Mehrzad graduated from the Joshua Generation School of Ministry. Soon after that, Mehrzad completed other teaching curriculums and graduated from several schools of ministry, including the School of Prophets, the School of Impartation, and Elijah House Ministries.

In 2017, Mehrzad founded Gifts of Fire Ministries by the prompt of the Holy Spirit. Since its day of establishment, Gifts of Fire Ministries has actively and diligently supported a wide range of ministries and individuals and has made disciples for Christ across Australia, the USA, Canada, the UK, New Zealand, South Africa, and Iran through teaching the Word of God, prophetic ministry, healing, and deliverance ministry.
