He once dreamed of being a secret agent and became an exclusive bureaucrat, but it was the idea that everything could have been different if not for an important event. In the hope that he and the other child were replaced at birth, Thomas, a lifelong adversary, Alfred (Peter Bohlke) donates an undeserved life and privilege. Tom, still jealous, finally decides to adjust the result. 2012 November 27 A wonderful Belgian film about nothing more than Dardennes. 2011 March 20 Imagine he had been traded for a child who eventually becomes his neighbor, Tom plans a lifelong plan to get revenge. He also falls in love with his sister. A strange little Belgian drama jumping around in time and reality (there are memories of memories, dream sequences, etc.), but ultimately draws in a thrilling portrait of the jealousy of life. 2011 January 13 I could try to talk about this completely original Belgian film, but I would still sell it. If there was ever a story of a man's bitter anger, it is because Tom believes he was born into another family and carries that anger until his final days. However, when you live a person's life, which looks like a long queue on paper, it turns out completely unexpectedly. There is no one hereWhile the entire cast gives great performances, the two main child actors deserve special mention: young Tom and young Alice, his sister (or adoptive sister, depending on which story you believe). It's amazing how Europeans can continue to choose such young and natural actors. , and the best American casting agents can usually find the next Jake Lloyd. As for influences, I thought *Sunset Boulevard* began with a narrated death scene, and particularly *Vertigo* because of Tom's mysterious obsession with a woman he thought was dead. Speaking of subtitles, I have to believe that Jean-Pierre Jeunet is a huge fan (the exploding light bulb trick immediately reminded me of the same one in *Amélie*). A strange, serious, thoughtful, surprising and exciting work. I can honestly say I've never seen anything like *Toto Le Hero*. in 2009, January 21 I think you can be forgiven for cheating on his sister. if your sister looks like Mireille Perrier, right?
