About The Author Karin Slaughter was born on January 6, 1971 in Atlanta, Georgia. Having written her very first book when she was only six years old, Rolleo and Polio, Karin has always been an aspired author. She graduated from Morrow State High School and attended Georgia State University. Karin worked several jobs prior to opening her own sign business. In 2001 she published her first novel and first in the Grant-County-series, Blindsighted. Since Blindsighted, Karen has published 17 other novels in the past 13 years. In addition to her publications in English, several of Karin’s books are published in British, Bulgarian, Croatian, Danish, Estonian, French, Greek, Brazilian Portugese, Chinese, Czech, Dutch, Finnish, German, Hebrew, Hungarian, Italian, Japanese, Korean, Lithuanian, Norwegian, Polish, Portuguese, Romanian, Russian, Serbian, Slovene, Spanish, Swedish, Thai, Turkish, and Ukrainian languages. Karin has been awarded and nominated for several local and international awards throughout her career as a writer. Blindsighted was nominated for major awards including a Dagger, a Barry, and a Macavity. It was also on the New York Times Best Seller list along with her second novel, Kisscut. She received a Reviewer’s Choice Award for Romantic Times for her third novel, A-Faint-Cold-Fear. Beyond Reach and Fractured have both earned her Silver Fingerprint Awards for Best Foreign thrillers by the Crime Zone in the Netherlands. She also won an award from the American Association of People with Disabilities for having her character, Will Trent, have dyslexia. Karin is well known for her brutal and bloody novels, and she responds to the question of why in the Frequently Asked Questions page on her website. “I so love and look up to Mary Higgins Clark and had a really great time with Janet Evanovich or two, that is the reason why in my writing I opt to have it in a violent way or show violence for what it is. For how many years, women were silent about these crimes despite the fact that we were most likely the victims. I guess it’s already time for us to talk about violence and rape against women.

While growing up, these subjects were “boys only” territory in fiction, so I find it very refreshing to see authors like Denise Mina and Mo Hayder really opening up the conversation about sexual assault and abuse. I don’t mean to say that men are not capable of writing these topics, its just that women authors bring a different perspective.” Book Series In Order » Characters » Will Trent 9 Responses to “Will Trent” Leave a Reply
