English conversation practice book by grant taylor

Jump to ratings and reviewsEnglish Conversation Practice (English) 1st Edition (Paperback) This book provides simple but extremely useful guidelines for improving oral practice in English. The text is divided into two main Part 1 contains conversations based on common daily situations, while Part 2 emphasizes particular structural or lexical features of the language. This book contains a large number of exercises designed in a programmed fashion; all the words or sentences are presented at the left of the page and the expected responses are given at the right. The book is ideal for home study and would be extremely useful to all those interested in improving their conversational skills.
