Preschool Note

The Senate version of HB 6 provides no increase to preschool funding. In the Big Bold Ask, the Prichard Committee calls for increasing Kentucky's investment in preschool by \$78 million per year by 2026, including raising eligibility to 200% of poverty and raising rates to support higher quality programs. The Senate version does not move toward meeting that goal.

SEEK Kindergarten Funding Note

The Senate version of HB 6 calls for kindergarten pupils to continue to receive full-day SEEK funding. In the Big Bold Ask, the Prichard Committee calls for Kentucky to invest \$140 million more per year by 2026 in kindergarten learning. The Senate version meets that full 2026 goal.

Transportation Funding Note

The Senate version of HB 6 calls for school transportation to receive substantially higher funding. In the Big Bold Ask, the Prichard Committee calls for Kentucky to provide full state funding for those costs by FY 2026. The Senate version meets most, but not all, of that goal.

Teaching Quality Note

The Senate version of HB 6 provides \$11 million to continue the early learning initiative known as Read to Succeed and just under \$5 million for stipends for teachers who earn National Board Certification. Those elements add up to about \$16 million in added funding for teaching quality. In the Big Bold Ask, the Prichard Committee calls for increasing Kentucky investments in a Fund for Teaching Excellence to \$58 million by 2026. The Senate version meets part of that 2026 goal.

SEEK Per Pupil Funding Note

The Senate version of HB 6 calls for a \$4,368 base guarantee in FY 2025 and \$4,455 in FY 2026.

FRYSC Note

The Senate version of HB6 explicitly calls for an increase of just under \$4 million in funding for Family Resource and Youth Service Centers sent directly to the Cabinet for Health and Family Services, but does not spell out the total appropriation amount. The table above lists only the increase, but the intent may be to provide \$27 million: the historic \$23 million plus an additional \$4 million.
