## How old is heather zumarraga

**Heather zumarraga wikipedia. Heather zumarraga nationality. Heather zumarraga age. Heather zumarraga husband. How old is heather gudenkauf. Who is heather zumarraga.**

Heather Zumarraga is an American business expert and public speaker, featured on Fox Business Channel and Newsmax TV as a financial industry pioneer. Born in Raleigh, North Carolina, she's currently 39 years old (as of 2023) and celebrates her birthday on March 29th every year. Standing at approximately 5 feet 5 inches tall, Zumarraga keeps her personal life private, revealing little about her family or upbringing. She was married to Daniel A. Zumarraga for almost eight years before they parted ways. They have a child together born in 2016 in Miami, Florida, and reside in Washington with their daughter and a Labrador retriever. With an estimated net worth between \$1-5 million, Zumarraga has earned her fortune through her successful career as an author, journalist, consultant, and public speaker. Zumarraga holds a Bachelor of Arts degree in Business Administration from Baruch College and a Master of Business Administration Degree from the Kogod School of Business at American University. She is a respected economic correspondent for Fox Business and CNBC, contributing to publications like The Washington Post. As a well-connected source, Zumarraga has worked as a Franchise Owner of Bubbly Paws Dog Wash and Vice President of Sales and External Wholesaler at Vision 4 Fund Distributors. In addition to her professional endeavors, Zumarraga is a TaeKwonDo Black Belt and private pilot. Currently, she works at FOX News as an economist, contributing regularly to the channel's programming. She also serves as a senior director at Harbor life settlements and has worked with various asset managers, including MacKay Shield and River North. Heather Zumarraga is a renowned business consultant and leader in the financial services industry. She has made appearances on The Fox Business Channel and Newsmax TV as an economist, market expert, and business correspondent. Apart from her career, Heather is also an author, having written her own book, "The Man's Guide to Corporate Culture." This guide focuses on how female coworkers relate to male managers in the corporate industry. Heather has had a successful career, serving as vice president at SunAmerica Funds for three years. She has also worked at double line capital and has been recognized as one of DC's most powerful people under 40 by Washington Life Magazine in 2015. In her personal life, Heather is married to Daniel A. Zumarraga and they have a baby girl together. The family resides in Miami, Florida, along with their labrador retriever pet. Heather is also a pilot and holds a black belt in TaeKwonDo. As of 2020, Heather's net worth is estimated to be around \$5 million. She has sold over \$1.5 billion in mutual funds and was ranked #1 in sales for SunAmerica Asset Management. Heather Zumarraga is a senior vice president and industry analyst for Vision 4 Fund Distributors, bringing over a decade of expertise in finance to her role. As a former CNBC analyst, she has established herself as a well-connected figure in business, working alongside Josh Lipton. Born on March 29, 1984, in Washington, D.C., Heather graduated from Baruch College with a Bachelor's degree in Investments and Finance before pursuing a Master's degree in Business Administration at the Kogod School of Business. She married her husband, Daniel A. Zumarraga, in January 2014. Heather is known professionally as "The Pulse Of Main" and has worked for notable companies such as Sun Ameria Financial Community, where she achieved significant business revenue growth, becoming a top trader. The couple resides in McLean, VA, with their daughter, who was born around 5-6 years ago. With an estimated net worth of \$1 million, Heather's annual salary ranges between \$59,787 and \$75,000, reflecting her successful career as a financial analyst. Despite being married and having children, she has maintained a fit physique. Heather's career took off between 2014 and 2016, landing her the role of business anchor on TV channels like CNBC and FOX. She earns a substantial six-figure salary annually from this position. Her husband, Daniel, also has entrepreneurial ventures, likely generating significant income in the thousands. Despite their financial success, both couples keep their exact earnings private for now.
