To determine your hat size, start by wrapping a measuring tape around your head at ear level. The tape should be level and parallel to the ground. Refer to the following size charts to find your perfect fit. ****New Era Men's Size Chart**** * 59FIFTY Fitted Hat: Use the tables above to find your circumference measurement. * New Era Women's Size Chart: Same as men's chart, but with different measurements for women. ****Hat Sizing Notes**** * The 59FIFTY Low Profile and 59FIFTY Retro Crown have the same sizing as the standard 59FIFTY Fitted hat. * 9FIFTY Snapbacks come in three sizes: Small-Medium, Medium-Large, and Large-XLarge. Regular fit 9FIFTY, 9FIFTY High Crown, and 9FIFTY Low Profile come in these three sizes. * Original Fit 9FIFTY Snapbacks come only as One Size Fits Most on the size chart. ****New Era Kids' Size Chart**** * Infant: 6-19 cm (6-7.5 inches) * Toddler: 20-21 cm (8-8.5 inches) * Child: 20-22 cm (8-9 inches) * Youth: 21-23 cm (8.5-9.5 inches) ****Knit Beanie Sizing**** * Infant: 6-19 cm (6-7.5 inches) * Toddler: 20-21 cm (8-8.5 inches) * Child: 20-22 cm (8-9 inches) * Youth: 21-23 cm (8.5-9.5 inches) If you're unsure about what size New Era cap to get, don't worry! You can use this size chart to find your perfect fit. The chart applies to various models, including the 59Fifty Low Profile, 39Thirty Stretch Fit, and 9Fifty & 9Forty adjustable caps. To measure your head for a fitted hat, place a flexible tape measure around the circumference of your head, about half an inch above your eyebrows and ears. Make sure it's snug but not too tight. Use this measurement to find your corresponding size on the New Era size chart. New Era has been a leading headwear brand since 1920, and their sizing is consistent across most models. To find your fitted hat size, follow these steps: 1. Measure your head using a flexible tape measure. 2. Refer to the New Era size chart to convert your measurement into a corresponding size. 3. If you're between sizes, round up for a better fit. You can also use a piece of string to measure your head and then measure the length of the string with a ruler. The text also provides size charts for men's, women's, and children's caps, as well as information on how each model fits. ***New Era Hats Sizing Chart Revealed*** ****59FIFTY Fitted Hat Sizes:**** The 59FIFTY Fitted hat has the same sizing as the standard 59FIFTY hat.
