Igolf value guide

Get the most out of your golf clubs with iGolf Value Guide! Use their evaluation tool to determine their value and ship them in for inspection. Once evaluated, you'll receive payment by check, Venmo, or PayPal. With their unparalleled service, you can trade in your unused clubs for dollars towards new equipment. We've seen a significant boost in our Club Sales and overall Golf Shop revenue over the past few seasons, thanks to a great partnership with iGolf Value Guide. Our residents are thrilled with this collaboration and can't wait to continue working together. The team at iGolf Value Guide has revolutionized the way we host fitting and demo days, allowing our members to easily trade in their old clubs for new ones. One of our long-time partners, The Palms, has been using iGolf Value Guide as their exclusive club trade-in service for over five years. They rave about the hassle-free experience and top-notch customer service they receive. Even individual customers have had great success with iGolf Value Guide's instant sale process, which allows them to get cash for their unwanted golf clubs in just three easy steps. To use iGolf Value Guide, simply follow these steps: first, value your trade-in using their online evaluation tool; next, ship your clubs to iGolf Value Guide for inspection and payment finalization; finally, receive your payment via check, Venmo, or PayPal. The company determines the value of a golf club by analyzing its database of prices, competitor pricing, and completed auction data from eBay. To search and determine the value of a golf club, visit www.iGolfValueGuide.com and complete the club search using either the quick search box or the more detailed method, which allows you to input manufacturer name, model name, and club type. To get cash as a Country Club member in Coachella Valley, CA, look for a voucher in the "Search" section on your homepage with the club category type, brand, and model. If you're unsure, contact customer support at 855-678-6737 from Monday to Friday between 8:00 a.m. - 4:00 p.m. PST. Note that clubs not listed in the iGolf Value Guide's catalog are not accepted. Persimmon or laminated woods and non-pro-line irons, woods, wedges, and putters are excluded. If your club isn't on the list, contact customer support to get a quote. You can find boxes at local golf pro shops or purchase one through FedEx. Shipping costs \$0 for orders over \$100, but you'll need to pay for packaging materials. Checks are mailed via USPS within 5-7 business days, and PayPal/Venmo payments arrive the same day after inspection. We're sorry but we can only accept golf clubs from US customers due to customs complications. What's a damaged golf club worth? Some might be worthless, while others could still get some value. If you have questions, please call us at 1-855-678-6737 or email support. Upgraded shafts in your clubs might increase the amount we pay for them. We're happy to assist if you have any questions or want more information. Our Highest Payout Guarantee ensures you get the best value, and we'll match a higher cash payout within 7 days. If your trade-in doesn't meet our criteria, we'll return it to you at your cost or dispose of it if it's worthless. You can trade in an unlimited number of clubs. We have a condition scale with three categories: New (never hit), Average (light-to-normal wear and tear), and the majority of used clubs fall into this category. iGolf Value Guide offers a trade-in program that allows golfers to exchange their used clubs for cash or shop credit. The process involves shipping the clubs to iGolf, where they are evaluated and payment is issued by check, Venmo, or PayPal. Members have praised the service for its convenience, fair values, and excellent customer service. The company provides a valuable resource for golf facilities, allowing them to clear out old equipment and generate revenue through shop credit. The trade-in program has been successful, with 100% of the credits being applied towards new purchases in the golf shop. Members have reported positive experiences with iGolf Value Guide, citing their professionalism, expertise, and ease of use. The company's service has greatly benefited members, enabling them to convert their unused clubs into dollars that can be used towards new equipment. iGolf Value Guide is a valuable resource for golfers looking to get cash for their unwanted clubs. Many satisfied customers, including PGA professionals like the speaker, have praised the service for its ease of use and prompt payment. The website provides an easy-to-use evaluation tool that helps determine the value of each club. After shipping the clubs to iGolf Value Guide, the team will inspect them and issue a check within a week. Some customers have even sold multiple clubs using this method. To get started, users simply need to follow three easy steps: value their trade-in, ship their clubs, and receive payment. The company's database is compiled from a combination of market research and eBay auction data, providing an accurate assessment of a golf club's fair value. Additionally, the team continuously monitors competitors' pricing to guarantee fairness and transparency. To determine the value of a golf club, visit www.iGolfValueGuide.com and use one of two methods: Quick Club Search or Product Search. For Quick Club Search, type the manufacturer name, model name, and club type without considering flex, loft, and dexterity. If you need help, contact customer support at 855-678-6737 from Monday to Friday between 8 a.m.-4 p.m. PST. Country Club members in Coachella Valley, CA, will get a voucher for Pro Shop credit equal to the trade-in value. However, clubs not included in iGolf Value Guide's catalog are not valued and have no return policy. Certain categories of clubs, such as persimmon or laminated woods, individual irons, and putters with "demo" stamps, have zero credit. If your club is not on the list, contact customer service at 1-855-678-6737 or email CONTACT US for a quote. Local golf pro shops typically offer free boxes, while FedEx locations can also be used to ship trade-ins. Golf club shipments valued over \$100 receive free FedEx Ground shipping. However, purchasing a box and additional services will incur extra costs. Payment checks are mailed via USPS First-Class Mail within one business day after trade-in receipt and inspection. Given article text here The iGolf Value Guide does not impose a limit on the number of clubs that can be traded in, allowing users to continue adding them to their cash cart until completion. The guide categorizes clubs into three conditions: New, Average, and Below Average, which reflects the level of wear and tear on the club. A new condition club has never been hit, while an average condition club may have light-to-normal wear. Below average condition clubs exhibit advanced wear, such as visible paint chips or scratches.
