(Photo by Ethan Miller/Getty Images) Evil Angel is a renowned adult website featuring iconic pornstars and their daring scenes. The Evil Angel website showcases award-winning content including sex scenes starring Holly Hendrix and Adriana Chechik. Since 1989, Evil Angel has set the standard for high-quality hardcore gonzo and anal content, pioneering original productions. Abella Danger has risen to fame, earning over 1.89 billion views on Pornhub in 2023, which made her the Most Popular Female Performer at the fifth annual Pornhub Awards. She's no stranger to XBIZ awards shows, having won four XMA trophies and a whopping 31 nominations, including multiple Female Performer of the Year nods. Danger has also ventured into acting, starring in "Her & Him" alongside Bella Thorne and even recreating a scene from the cult classic "Wild Things" with Denise Richards. Currently, she's pursuing a degree to become an attorney while maintaining her massive following on Instagram with over 9.5 million fans. Excited about hosting the 2025 XBIZ Creator Awards in Miami, Danger expressed her honor at being chosen for this role, highlighting its celebration of innovative creators and her enthusiasm for attending this event as a fan herself.
