Talaash: The Answer Lies Within is a 2012 Indian crime thriller film directed by Reema Kagti and starring Aamir Khan, Kareena Kapoor Khan, and Rani Mukerji. The movie follows a police investigation led by Inspector Surjan Singh Shekhawat into the death of actor Armaan Kapoor, who crashes his car while trying to avoid something on a deserted road. As Surjan delves deeper into the case, he uncovers a web of corruption and blackmail involving pimps, escorts, and black market money. The story revolves around Shashi, a pimp who was paid by Armaan to cover up a scandal three years ago. However, when Armaan dies, Shashi takes off with the money, leading to a series of events that involve Sanjay, an escort named Rosie, and a murder. Along the way, Surjan's personal life is also explored, including his relationship with his wife Roshni and their 8-year-old son Karan, who drowned in a family outing. The film received positive reviews from critics and grossed over ₹174 crore worldwide. It was nominated for three Filmfare Awards, including Best Supporting Actress and Best Supporting Actor. Armaan picks up Rosie along with his friends Sanjay and Nikhil. Three years ago, Surjan finds out that Nikhil has been brain-dead after an incident. Tehmur blackmails Sanjay into giving him money so he can give it to his girlfriend for a better life. Sanjay gets Tehmur killed too. The police arrest Sanjay as they learn about his involvement in Shashi and Tehmur's murders. Sanjay confesses that three years ago, Armaan and Nikhil picked up an escort named Simran for Armaan's bachelor party. During the ride, a car door opened by accident threw both Nikhil and Simran out of the moving car. Armaan and Sanjay took Nikhil to hospital but left Simran on the road. Shashi has been blackmailing them since then. Surjan watches footage again and is shocked when he realizes Simran is Rosie. As they approach the same road where Armaan had his accident, both men see Rosie standing ahead. They swerve the car to avoid a collision with her, causing the car to fall into sea. Sanjay dies but Rosie saves Surjan. Talaash: The Answer Lies Within production began in November 2010 when director Reema Kagti finalized her script and approached Aamir Khan for his involvement.
