Please read before subscribing The e-books offered by The Japan Times Publishing DIGITAL STORE are provided through subscription for the period (plan) that you select. They are accessed on our e-book reading website. You will be emailed user IDs/passwords for accessing the e-book reading website in approx. five business days after your payment is processed. Access to a subscribed e-book ends when the subscription period concludes. Before purchasing a subscription, please make sure that your system meets the system requirements and read the Terms of Service. Due to the nature of the product, we generally do not accept returns or offer refunds. You can access your subscribed e-book by entering your reading ID and password on the e-book reading website (the link will be emailed to you after payment is completed). Our e-books can be read on personal computers, tablets, and smartphones. The e-books cannot be copied, downloaded, printed out, or viewed in an offline. A separate subscription must be purchased for each person who will read a particular e-book. Reading IDs may not be shared with others. The copyrights on each product is held by the respective authors and illustrators. Unauthorized reproduction, sharing, transfer, reprinting, and resale of any products are prohibited. Image not available forColor: To view this video download Flash Player Genki Study Resources was created to aid with self-study, as such you can download it and use it offline anywhere. To download Genki Study Resources for offline use, simply click the download link below to get the latest version from the GitHub repository. Please see the section below about using the offline version. If you're using the offline version you'll have to unzip the files. Once you've done that, you can access all the study resources by opening any of the index.html files in the browser of your choice. It should have the same experience as the online version, however, whenever new exercises/lessons are added they will not be available; you'll have to download the latest version of the repository to get them. You can keep up with any changes made by checking the recent commits to the repository here. If Icons are Broken: If you use Firefox and icons appear broken, then please see this topic to resolve the issue. If Exercises will not Load: If exercises are stuck endlessly loading, please see this topic for resolving the issue. Help and Bugs If you have any issues using Genki Study Resources offline (or online), feel free to let us know by opening a new issue on GitHub. You can find more information about doing so via the report page.
