Ask the publishers to restore access to 500,000+ books. " Your essential companion to the furthest corners of the deepest and most detailed Rockstar world yet, the Red Dead Redemption 2 Complete Official Guide is packed with information about every aspect of Rockstar Games' epic tale of outlaw life in America's unforgiving heartland. „ –Official description The Red Dead Redemption II Complete Official Guide is a guide book accompanying the 2018 video game Red Dead Redemption II. Contents[] Published by Piggyback, the guide is presented in two distinct variations: Standard Edition[] Packed with essential information about every mission, character and feature of this vast and detailed world, the Standard Edition includes an at-a-glance walkthrough, dedicated maps chapter, comprehensive reference sections, and an all-encompassing index. Collector's Edition[] The premium hardcover Collector's Edition features everything from the Standard Edition, printed on superior quality art paper, and also includes an exclusive character art gallery. Both editions of the guide book were available at game launch on October 26, 2018.[1] References[] With the official guide to Red Dead Redemption 2, set out on an incredible adventure over the vast, wild American West. This isn't just a tutorial; it's your all-in-one guide to learning every aspect of Rockstar's masterwork, turning you from a nomadic bandit into a legendary figure on the frontier. Beyond the engrossing story of Arthur Morgan and the Van der Linde gang, this book reveals the mysteries within the expansive, painstakingly constructed world, guaranteeing that you will discover every hidden gem and enjoy every breathtaking moment.Explore the game's complexities and become an expert at surviving in a dangerous and exciting environment. To get the rarest pelts and materials, hone your shooting and crafting abilities while tracking and hunting legendary animals. Learn the best camp management techniques to promote unity and guarantee the gang's survival in the face of the hard conditions of the time. Understand how your decisions affect Arthur's destiny and the world around him as you negotiate the intricate honor system.By exposing the secret tactics and techniques that will take your gameplay to the next level, this guide goes beyond the obvious. Find the most profitable hunting areas, the most lucrative trade routes, and the best ways to avoid detection. Develop your fighting skills by selecting the appropriate weapons for each circumstance and learning to use Dead Eye with lethal accuracy. Discover secret areas, work through difficult side quests, and solve complex riddles to earn priceless stuff and life-changing experiences.However, this book delves deeply into the core of Red Dead Redemption 2 and goes beyond simply offering a list of pointers. Examine the diverse cast of individuals to learn about their relationships and goals. Discover the secrets of the main plot while making decisions that will affect Arthur's course in life. Gain an appreciation for the world's small aspects, such as the striking scenery and the engrossing soundscape. Learn the lore and hidden stories that enhance the game's story and give you a better knowledge of the realm and its people.This guide will enable you to enjoy Red Dead Redemption 2 like never before, regardless of your level of experience with gunslingers or familiarity with the frontier. This book covers everything, from learning the nuances of horse bonding to discovering the epilogue's secrets. Make the most of your Red Dead Redemption 2 experience and turn into a genuine Wild West legend. Red Dead Redemption 2 Complete Official Guide Standard Edition Compiled and crafted in association with Rockstar Games, this guide is your indispensable companion to the vast, dangerous, and breathtaking world of Red Dead Redemption 2.GUIDE DETAILS HUNDREDS OF UNTOLD TALES, TOLD: All events at your fingertips, from the most memorable missions to the rarest chance encounters – you need never miss a single moment of the story CHARTING THE WILDS: Hi-res annotated maps detail everything you might hope to find as you travel: special collectibles, hidden lock boxes, uncharted landmarks... they're all here 100% COMPLETION: Treasure hunts, gunslingers, robberies, loansharking, bounty hunting, table games – all streamlined for total completion VISUAL SOLUTIONS: Supported by annotated 4K screenshots COMPLETION ROADMAPS: Comprehensive flowcharts reveal the exact availability conditions of all missions and unlockables EXPERT ANALYSIS: All key systems and parameters fully documented, with exhaustive appraisals of all weapons, items, horse breeds, animals – and so much more EASE OF USE: Instant searches, print navigation systems and an extensive 2-page index give you immediate access to the information you need. Piggyback started in 1999 with the 148-page guide to Metal Gear Solid. Twenty-four years later, we find ourselves releasing the 500-page official guide to The Legend of Zelda: Tears of the Kingdom in five languages and across four continents. In that 24-year period, we selected one game every year or so and invested all of our resources into creating its exclusive, complete official guide. We have the industry's largest guide development team, composed of authors, designers, translators, map, screenshot and functionality editors. Each new Piggyback project presents opportunities for innovation; be those chapter concepts, gameplay flowcharts, imaging technologies, data tables, no-spoiler solutions, instant-search tools, custom layouts, enhanced production values and new editions (collector's, deluxe, expanded, and digital). Through close collaboration with the game company, each of our books becomes a tangible display of everything in the game, a collector's item that serves as a companion which showcases the gameplay, creativity, and vision of the team. Compiled and crafted in association with Rockstar Games, this guide is your indispensable companion to the vast, dangerous, and breathtaking world of Red Dead Redemption 2. GUIDE DETAILS HUNDREDS OF UNTOLD TALES, TOLD: All events at your fingertips, from the most memorable missions to the rarest chance encounters – you need never miss a single moment of the story CHARTING THE WILDS: Hi-res annotated maps detail everything you might hope to find as you travel: special collectibles, hidden lock boxes, uncharted landmarks... they're all here 100% COMPLETION: Treasure hunts, gunslingers, robberies, loansharking, bounty hunting, table games – all streamlined for total completion VISUAL SOLUTIONS: Supported by annotated 4K screenshots COMPLETION ROADMAPS: Comprehensive flowcharts reveal the exact availability conditions of all missions and unlockables EXPERT ANALYSIS: All key systems and parameters fully documented, with exhaustive appraisals of all weapons, items, horse breeds, animals – and so much more EASE OF USE: Instant searches, print navigation systems and an extensive 2-page index give you immediate access to the information you need. Red Dead Redemption 2 is our attempt to tell a new kind of story in a new kind of video game world. You'll play as Arthur Morgan and live the experiences of his time with the Van der Linde gang, a group of notorious outlaws on the run across 19th century America. As Arthur, you will experience every aspect of outlaw life, from robbing banks and hijacking trains to forging relationships with fellow gang members as you fight and run to escape the clutches of the law and the hypocrisies of polite society.We worked closely with the very talented team at Piggyback to design this guide as a companion during your time inside the world of Red Dead Redemption 2 as you live and travel both with the Van der Linde gang and on your own.We really hope you enjoy your time in the world.Rockstar Games Features 100% COMPLETION Treasure hunts, gunslingers, robberies, loansharking, bounty hunting, table games – all streamlined for total completion. Features EXPERT ANALYSIS All key systems and parameters fully documented, with exhaustive appraisals of all weapons, items, horse breeds, animals – and so much more. Features COMPLETION ROADMAPS Comprehensive flowcharts reveal the exact availability conditions of all missions and unlockables. Features CHARTING THE WILDS Hi-res annotated maps detail everything you might hope to find as you travel: special collectibles, hidden lock boxes, uncharted landmarks... they're all here. Reviews "This book is LOADED with useful illustrations, charts and tables that visually describe each part of the game. Along the right column of each page is a 'locator' which indicates the chapter and section that you are currently on. If you love the RDR franchise but have been frustrated with the game, then this book is for you. You can quickly lookup whatever is required to get you back on track enjoying the game. It's filled with tips, tricks and lots of detailed information that you can lookup quickly so you can focus more on having fun. In some ways it compensates for what the game should never have lacked in the first place. But I have found it a useful reference to get me back on track." Amazon Customer Review, 01/11/2018 "Great guide for RDR2! There is literally too much stuff to do and easily miss in this oversized immensely immersive world. I didn't realize how much I had actually been missing till I got this guide. The guide itself is made very well. The pages are thick and nice and show great detail and shows you everything from main missions to treasure maps and the random stranger encounters. This is an essential for the Red Dead fan attempting to see everything the game has to offer!" Amazon Customer Review, 05/11/2018 "I own a few video game guides but this one is exceptionally made with lots of detail and brilliant colorful photographs snapped from the game. The hardcover version that I bought is just magnificent and the quality of the paper is really something else. I waited 8 years for this game since the first one came out, and this companion just matches the experience and a must have for any fan." Amazon Customer Review, 14/11/2018 "This high-quality book contains everything you need to know about this fantastic game. Players will reference it often. I am glad I bought this guide to inform me of the intricacies of the game, informing me of subtle things that would most certainly be difficult to discover on my own, or things I may not discover at all. I think this guide enhances your experience playing RDR2 and the authors are careful to see to it that spoilers are not exposed. Piggyback has gone to great lengths to make this the most comprehensive and highest quality guide you can buy for RDR2; that being said, I think you would be as happy as I am for purchasing it. I highly recommend this guide – I am certain you won't be disappointed." Amazon Customer Review, 21/01/2019 "Well planned and thorough! Extremely thorough guide. The atlases are very helpful. The flow of the guide is well thought out, and I'm learning many things that even the internet didn't tell me. You can tell Rockstar has given them all the information they needed. I definitely recommend this to anyone looking to enhance their playthrough of the game. I especially like the mission flowcharts for every chapter, and the animal locations for hunting/fishing."
