This month has been declared as our Month of Supernatural Empowerment. We are promised that God's power will rest upon us in a unique way. The impossible is becoming possible, and natural limitations are giving way to supernatural breakthroughs. Where we have failed before, we will now succeed with divine empowerment. Fresh grace is being released to strengthen us against weaknesses, weariness, and limitations. We are supernaturally empowered to break barriers, overcome obstacles, and subdue opposition. Every voice of doubt and fear is silenced, and our confidence in Christ is renewed. God will supply all needed resources - spiritual, financial, physical, and emotional - to fulfill His mandate for our lives. Our hands are strengthened for great accomplishments, and our minds are anointed with wisdom and strategy. We will operate in a new dimension of boldness, clarity, and capacity in our business, ministry, career, and relationships. Divine ideas, divine helpers, and divine doors are released to us this month. We will stand strong in the face of adversity and advance victorious through the power of Christ. GOFAMINT The Gospel Faith Mission International is a global mission with a legacy founded by Pastor R.A. George. It began as a small fellowship led by Brother Reuben Akinwalere George, who had a deep conviction of God's call on his life. They started in 1956 as a Bible Study Group at Brother R.A. George's residence and grew into the Church we know today. The Gospel Faith Mission International Church has gradually spread across Nigeria, Bariga, Mushin, Salvation Army Road in Ibadan, and beyond the world. Pastor George was ordained in 1959 and passed away in 1987, after which his deputy, Pastor (Dr) E.O. Abina, took over as leader in 1987. Notably, The Gospel Faith Mission International became an incorporated body in Nigeria in October 1967. Starting with just 20 people, the church has grown into a large organization with over 2000 branches under 14 Administrative Regions led by Regional Pastors. The regions are further divided into 113 Districts and Areas, each headed by District and Area pastors respectively. Over 1600 Assemblies have been established in various African countries such as Benin Republic, Togo, Gabon, Botswana, Burkina Faso, Ghana, Liberia, South Africa, and Botswana. The church also has branches in Britain, the Irish Republic, with a presence in Dublin, and the United States of America, where its first branch was established in 1985. Guess what? This morning started with Prayer sessions for Nations and it was in several categories o. Pastor Peter Ewenla began the session by praying that God should put to bondage all agents of unrest, followed by Pastor Dr. J.J. Udofa's prayer against economic saboteurs after which Pastor Sunday Adu prayed for all-round peace in Nigeria and that session was rounded off by Pastor O.O. Onayem's prayer to overturn every agenda of Islamization in Nigeria. Eiiii, I'm sorry - The Moderator of the morning was Pastor Dr. Gabriel Aina (Principal Admin Officer) and Pastor Lawrence Olaniyi (U.K) said the opening prayers. Let me continue the gist. Another round of prayers came with eruptic force and authority for GOFAMINT and the church universal. Pastor Michael Adeogun prayed for stability and unity in the church, Evang. Albert Shobowale prayed that God will help the Church focus on salvation and preparing souls for heaven. Pastor Jairus Oglegwu prayed against the gates of hell, Pastor Donne prayed that GOFAMINT will continue to fulfil divine agenda followed by prayers from Pastor Peter Oludimila that focused on Divine intervention for matured youths experiencing delay. Pastor Paul Oduisi prayed for divine healing, Pastor Dr. Femi Odeyemi prayed that God will keep GOFAMINT united and that session was brought to a close by the prayers of Pastor Femi Omowumi who prayed that the Lord shall visit His Church GOFAMINT with prosperity. A melodious hymn from the notes of Zion was rendered from the Gospel Hymn Book (GHB 25) after which the Service offering was taken by Pastor Dada Gabriel (DP, Igbokoda). The best choir in the world! Of course, the GOFAMINT MASS CHOIR gave an amazing rendition that brought in the Rev'd Prof. Asaju for a session that centered on Developing the Faith that Conquers Challenges (Romans 4:17-21). Kail!!! You've got to listen to that session on YouTube because this summary can't give justice to that but let me give you a tip. Few of the things he said was - miracles happen in an atmosphere of worship, if you live your life in alliance to the word of God, the blessings of Deuteronomy 28 will be yours. He added that "obedience to the word of God will bring the blessings of heaven and when you disobey, it will bring curses." Sincerely, you've got to listen to that session. The General Overseer took a few questions and then began the Fifth Teaching which also doubles as the last chapter in the lecture book. Baba taught practically with his life examples and experiences what it means to be a blessing and demonstrating it. See, results cancel just mere words and our General Overseer is a living proof. He further prayed for different stages of people whose life needs a turnaround. He heartily prayed for them and indeed, it was heartfelt. He prayed deeply for the matured singles in the church and asked them to look around (maybe the bone of their) The Education Trust Fund session was a momentous occasion, marked by the presence of Pastor Barr as the moderatoyr and Sam Adegbite (U.K) as his counterpart. The event not only recognized several excellent students from various institutions who achieved first-class grades in their studies but also bestowed honors on individuals through the National Corpers Fellowship. The evening's festivities commenced with a stirring performance by GOFAMINT MASS CHOIR, whose rendition of ten songs left an indelible mark on all who witnessed it. The choir's attire was nothing short of resplendent, with many taking to social media to marvel at their sartorial splendor. Pastor Olagoke Emmanuel served as the evening's moderator, and his first task was to introduce Pastor Akinsanya Timothy (RP, Region 9), who offered a poignant prayer that left the congregation in awe. The praise team then led the congregation in an exhilarating session of high praise and worship, which seemed to reach extraordinary heights. Pastor Donne (National Overseer, Republic of Benin) read the Bible in French, drawing gasps from the audience due to its linguistic beauty. Reports on the Gospel City road tarring project were presented by Pastor Engr. Isaac Olasupo (DP, Ife District), followed by Pastor S.O. Adebayo (DDF)'s financial report on FFLO. The General Secretary offered a heartfelt prayer for those who supported the Gospel city project in 2025, seeking first fruits such as offerings. Evang. Femi Praise (DE, Goshen District) prayed for supporters of the convention in 2025 and those who would support the 2026 convention. As the evening wore on, Prophet Abiola Adebisi delivered a powerful sermon centered around 'The Power of Unity and Love', drawing forth an outpouring of God's Spirit. The General Overseer laid hands on him, and power was manifestly evident in his words. Pastor Dr. E.O. Abina was acknowledged as the Father of GOFAMINT, and his role was reinforced by the presence of the General Overseer laying hands upon him. Prophet Adebisi used John 17:20-23 to create a foundation for his message, which skillfully addressed 'Unity and Love'. Key points from his sermon included the notion that running away from love means running away from God, and that unity is essential to conquering the world. The evening concluded with announcements by Pastor Ajala (RP, Region 5), a closing prayer by the General Overseer, and a share of grace. As the congregation dispersed, they were met with an eruption of divine blessings, courtesy of Abraham, which will continue into THE NEW. Blessings Overload! It has begun, and tomorrow's event promises to be just as electrifying - don't miss it!
