

I'm not a robot

Looking forward to see everyone at the book store tomorrow and discuss our strategies for selling Swamy Success Guides. © ===== Swamy Book House is just one of those places you can find in Dharmapuri, TamilNadu, India. This small retail book store is all about Swamy Success Guides, which are reference books for Annamalai University DDE courses. They don't have an option to order these books online, so if you want to know more about them, check out the other tabs on their website. Before visiting, please give them a call to make sure they're open that day. Annamalai University (all the degrees) has guides available in English and Tamil mediums. They are located at Annamalai Nagar, Chidambaram, Tamil Nadu, India, covering an area of 950 acres. The university was established in 1979 and offers courses like arts, science, engineering, medical, management, humanities, agriculture, and physical education. The Annamalai University DDE has the highest number of students enrolled, and it's well-equipped with computers and other tech stuff to help their students succeed. It provides a good environment for learning and growing. B.Sc Eligibility Criteria Candidates should have passed 10+2 in PCM or PCB with at least 50% marks from a recognized board to be eligible for this course. MCA Eligibility Criteria Candidates Fully automated information service is provided to candidates through Annamalai University Distance Education's online portal, allowing them to get information about institutions and courses under various disciplines and specializations. ===== A student can choose Annamalai University for their studies due to the quality of education and environment it provides. The university has ranked 400 in the world in its global rankings. In India, it is ranked 150 overall by the National Institutional Ranking Framework. Annamalai University Distance Education offers many facilities on campus to ensure a good academic environment. These facilities include library, digital voice information system, SMS information, laboratory, C.I.S.L, hostels, auditorium, and sports facilities. The university provides placement training to its candidates. There is a seven-day training process that helps students develop their skills according to current industry standards. The placement cell organizes job fairs every year, where many students get placed in different industries. The Distance Education Bureau (DEB) is a bureau of the University Grants Commission (UGC) based in New Delhi, India, responsible for regulating distance education in the country. Established in 2013, it replaced the Distance Education Advisory Committee (DEAC), which had been managing open learning and distance education since 1985.
