[citation needed] However, the coincidental quality pattern in which even is better than odd is what he worries about. Ironically, TomSka has stated that 11 is his least favorite of the Asdfmovies, mostly due to the recurring gag with the giant butt.[citation needed] The spell used to turn the man into ice cream is "Needicus ice creamicus!" in reverse. This was made for the 10-year anniversary of the first asdfmovie. The ending credits instrumental is from a scrapped version of The Muffin Song when LilDeuceDeuce was involved. This is the second video to be age-restricted, the first being Asdfmovie7. Gallery[] The girl who transformed the man into an ice cream doing her ritual.
