Throughout its production, the film underwent significant changes, with notable adjustments made to its cast and crew. Notably, director Siva collaborated with producers A. M. Rathnam and S. Aishwarya, who played a pivotal role in bringing Vedalam to life. The cinematography and editing were handled by Vetri Palanisamy and Ruben, respectively. With its release coinciding with Diwali, Vedalam garnered positive reviews from critics worldwide. Its commercial success was substantial, grossing around ₹120-150 crore at the box office. The movie has since been remade in Bengali and Telugu, further solidifying its place in the hearts of film enthusiasts. ==========The film opens with a police unit being ordered to capture three French brothers who head a human trafficking ring. The team successfully apprehends one of the brothers, Rahul, but he takes his family hostage, turning on his captors and killing one of them before dying. The story then shifts to Kolkata, where a man named Ganesh arrives with his sister Thamizh to enroll her in an arts college. Ganesh befriends a local woman named Kaali and becomes involved with a taxi company under the management of Laxmidas. He gets caught up in a case involving a lawyer named Swetha, who asks him to pose as a mute eyewitness, but things don't go as planned. Swetha tries to kill Ganesh, but he's saved by Laxmidas, and they later form an alliance to take revenge on Ganesh. However, Swetha falls for Ganesh after realizing her mistake. Ganesh arranges Tamizh's marriage with Swetha's brother Arjun. Meanwhile, a police officer named Yashpal is investigating crimes in the city and discovers that Aniket, a powerful syndicate member, is involved. Ganesh reports a case of arms trafficking to Yashpal, leading him to confront Aniket. However, Ganesh single-handedly defeats Aniket's men and kills him. When Abhinay, Aniket's brother, discovers his brother's death, he comes to Kolkata to investigate. He tracks down Ganesh and kills him in a fierce battle. As the story unfolds, it becomes clear that Ganesh is actually Vedalam, a ruthless thug-for-hire who has been taking care of Tamizh since childhood. Vedalam had unknowingly saved her from human traffickers when she was vulnerable but later betrays her to collect money. However, he has a change of heart and rescues her. Ganesh requests Swetha not to reveal their past to Tamizh, and they eventually get married. Later, Rahul discovers Ganesh's true identity and tries to find him. Ganesh tracks down Rahul and kills him in a fight. In the end, Tamizh gets happily married to Arjun, and Ganesh is finally able to live a peaceful life with his sister. ==========Vedalam is an Indian Tamil-language action drama film written and directed by Siva.
