El título del álbum, sin títulos, ha generado mucha curiosidad entre los fanáticos, ya que parece una crítica a la industria discográfica y la falta de originalidad en el rock alternativo.Here is the rewritten text with a creative paraphrasing of the original article's content: Korn, one of the most influential bands in heavy music history, has released nine studio albums since their debut. Let's delve into their discography and explore their chart-topping success. Their breakthrough album "Follow the Leader" (1998) catapulted them to stardom with 5x Platinum certification by the RIAA. The band then continued their streak of platinum-certified albums, including "Issues," which debuted at number one on the Billboard 200 in 1999. The album "Untouchables" marked a new era for Korn, showcasing their musical evolution and innovation. With over 1 million copies sold in its first week, it was an instant commercial success. Their subsequent album "Take a Look in the Mirror" also received critical acclaim, selling over 1 million copies worldwide. Korn's discography continued to thrive with the release of "See You on the Other Side," which solidified their status as heavy music legends. The band took a creative turn with "Untitled," releasing it in 2007 to critical acclaim and commercial success. Their subsequent albums, including "Korn III: Remember Who You Are" (2010), "The Path of Totality" (2011), and "The Paradigm Shift" (2013), demonstrated the band's unwavering commitment to pushing the boundaries of heavy music. Korn continued to experiment with their sound on "The Serenity of Suffering," released in 2016. In 2022, the band released "Requiem," marking a new chapter in their illustrious career. Throughout their discography, Korn has sold millions of records worldwide and has been certified platinum by numerous organizations. Korn's legacy extends beyond their studio albums; they have also released several live albums, including "Live & Rare" (2006) and "MTV Unplugged: Korn" (2007). Their compilation album "Greatest Hits, Vol. 1" (2004) showcases the band's most iconic tracks and has been certified platinum by the RIAA. The band's dedication to their craft is evident in their continued innovation and musical evolution. With a legacy spanning over two decades, Korn remains one of the most influential bands in heavy music history.The Very Best of Korn 1994 Blind 1995 Need To, Shoots and Ladders 1996 Clown, No Place to Hide 1997 A.D.I.D.A.S., Good God 1998 All in the Family, Got the Life 1999 Freak on a Leash, Falling Away from Me 2000 Make Me Bad, Somebody Someone 2002 Here to Stay, Thoughtless, Alone I Break 2003 Did My Time, Right Now 2004 Y'All Want a Single, Everything I've Known, Word Up! 2011 The Essential Korn 2012 Narcissistic Cannibal ========== Korn's discography is a vast and diverse collection of songs that showcase the band's unique blend of heavy riffs, soaring vocals, and emotional depth. From their early days as a nu-metal outfit to their current incarnation as a more experimental and atmospheric group, Korn has consistently pushed the boundaries of what is possible in rock music. The band's most successful album to date is "Follow the Leader", which spawned hits like "Children of the Korn" and "Faget". This album cemented Korn's status as one of the leading bands of the nu-metal genre, alongside other notable acts such as Linkin Park and Limp Bizkit. Korn's subsequent albums, including "Life Is Peachy" and " Issues", further solidified their reputation as a force to be reckoned with in the music industry. These albums featured fan-favorite tracks like "Freak on a Leash" and "Twisted Transistor", which showcased the band's ability to craft catchy, hook-laden choruses. In recent years, Korn has continued to evolve and experiment with new sounds, incorporating elements of electronic music and ambient textures into their work. Albums like "The Serenity of Suffering" and "The Nothing" have been met with critical acclaim and commercial success, with tracks like "A Different World" and "Cold" showcasing the band's ability to create complex, atmospheric soundscapes. Throughout their career, Korn has collaborated with a range of guest artists, including rap icons like Ice Cube and Skrillex. These collaborations have not only brought new energy to the band's music but also helped to introduce Korn to new audiences and expand their fanbase. Despite their success and influence, Korn remains committed to creating music that is true to themselves and their vision. With a discography that spans over two decades, they continue to be one of the most respected and beloved bands in rock music.Korn discography es un largo y complejo catálogo, con múltiples álbumes lanzados a lo largo de las dos décadas de su carrera. 1996: El álbum debut de Korn, "The Crow: City of Angels soundtrack", fue un éxito moderado en el Billboard 200 y recibió críticas mixtas de los críticos. El álbum incluye la canción "Sean Olson" que se convirtió en una de las canciones más populares del grupo. 1997: Con su segundo álbum, "Spawn: The Album", Korn continuó su éxito, y esta vez con un tono más fuerte e intenso. La canción "Kick the P.A." (con The Dust Brothers) fue una de las pistas destacadas del álbum. 1999: El tercer álbum de Korn, "I Know What You Did Last Summer The Album", fue otro éxito moderado en el Billboard 200 y recibió críticas positivas de los críticos. La canción "Camel Song" se convirtió en una de las más populares del grupo. 2005: Con su quinto álbum, "Amplified", Korn se lanzó a un nuevo nivel de sonido más intenso y experimental. La canción "(con The Notorious B.I.G.) Wake Up" fue una de las pistas destacadas del álbum. 2008: El sexto álbum de Korn, "Duets: The Final Chapter", fue un álbum que reunió a Korn con otros artistas para crear versiones duales de algunas de sus canciones más populares. La canción "(con Xzibit) Fight the Power" se convirtió en una de las más destacadas del álbum. 2011: Con su séptimo álbum, "The Path of Totality", Korn continuó su sonido experimental y intenso. La canción "Wake Up" (con The Notorious B.I.G.) se convirtió en una de las pistas destacadas del álbum. 2016: El octavo álbum de Korn, "Nightmare Revisited", fue un álbum que reunió a Korn con otros artistas para crear versiones revisitas de algunas de sus canciones más populares. La canción "We Care a Lot" se convirtió en una de las más destacadas del álbum. 2017: El noveno álbum de Korn, "A Different World", fue un álbum que marcó un nuevo capítulo en la carrera del grupo. La canción "Luis Tellez Take Me" se convirtió en una de las pistas destacadas del álbum. 2019: Con su décimo álbum, "Black is the soul", Korn continuó su sonido intenso y experimental. La canción "Ryan Valdez You'll Never Find Me (Visualizer)" se convirtió en una de las pistas destacadas del álbum. 2020: El undécimo álbum de Korn, "Can You Hear Me", fue un álbum que reunió a Korn con otros artistas para crear versiones revisitas de algunas de sus canciones más populares. La canción "Sebastien Paquet Can You Hear Me (Live Video)" se convirtió en una de las pistas destacadas del álbum. 2021: Con su duodécimo álbum, "Finally Free", Korn continuó su sonido intenso y experimental. La canción "Adam Mason Finally Free (Acoustic)" se convirtió en una de las pistas destacadas del álbum. 2022: El décimo primer álbum de Korn, "A Different World", fue un álbum que marcó un nuevo capítulo en la carrera del grupo. La canción "Luis Tellez Take Me" se convirtió en una de las pistas destacadas del álbum. 2023: Con su duodécimo álbum, "The Path of Totality", Korn continuó su sonido experimental y intenso. La canción "Sebastien Paquet Can You Hear Me (Live Video)" se convirtió en una de las pistas destacadas del álbum. Mejores posiciones: Korn ha tenido varias canciones y álbumes que han alcanzado la cima de las listas de éxitos en diferentes países, incluyendo Estados Unidos, Canadá, Australia, Reino Unido y más.Korn - Discografía y Certificaciones ========== Aunque no puedo verificar la exactitud o autenticidad de las fuentes, aquí te presento la información sobre la discografía y certificaciones del grupo Korn según los datos disponibles hasta agosto de 2013. También han lanzado varios álbumes en vivo y recopilaciones. Korn ha obtenido una gran cantidad de certificaciones en diferentes países, incluyendo Estados Unidos, Australia, Nueva Zelanda, Suiza, Holanda, Reino Unido e Irlanda. Algunos de sus álbumes más exitosos han sido "Issues", "Follow the Leader" y "See You on the Other Side". En resumen, Korn es un grupo de música estadounidense con una larga y exitosa carrera, con muchos álbumes de estudio y certificaciones en diferentes países.Korn | Discografía | Follow The Leader | Issues | Untouchables | Take a Look In The Mirror | See You On The Other Side | Untitled ========== Korn's discography is a testament to their evolution as a band, from their raw and aggressive sound in the 90s to their current style. Formed in Bakersfield, California, in 1993, the band consisted of James "Munky" Shaffer, Reginald "Fieldy" Arvizu, y David Silveria. They gained popularity with their self-titled debut in 1994, which laid the foundation for their nu metal genre. Korn's early success can be attributed to albums like Follow The Leader (1998) and Issues (1999), which pushed them into the mainstream. Their music combined heavy riffs, hip-hop rhythms, and emotionally charged lyrics, setting a new standard in heavy music. The band has undergone several lineup changes since their inception. In 2007, David Silveria left the group and was replaced by Terry Bozzio and Brooks Wackerman. This change led to the creation of their ninth studio album, which became the first Korn album to be recorded as a trio. The album's success marked a new era for the band. Korn's music has been praised for its innovation and diversity. From the aggression of Untouchables (2002) to the electronic elements of later albums, the band has continued to evolve and push boundaries. With 15 studio albums under their belt, Korn remains one of the most influential bands in heavy music. ==========___ Korn's Musical Evolution and Emotional Depth The Path of Totality, released in 2011, showcases a more aggressive sound, while The Nothing, from 2019, highlights the band's emotional depth. Requiem, their latest release, features a more mature and melodic side. Exploring Korn albums chronologically provides insight into the group's growth, struggles, and lasting impact on modern metal. For fans of Korn, this list offers a comprehensive journey through their discography. Korn has released 14 studio albums, as well as various live, compilation, video, extended play, single, promotional single, and music releases. Their album release order is as follows: Korn (1994), Life Is Peachy (1996), Follow the Leader (1998), Issues (1999), Untouchables (2002), Take a Look in the Mirror (2003), See You on the Other Side (2005), Untitled album (2007), Korn III: Remember Who You Are (2010), The Path of Totality (2011), The Paradigm Shift (2013), The Serenity of Suffering (2016), The Nothing (2019), and Requiem (2022). The band's debut, Korn (1994), introduced a unique blend of metal, hip-hop, and grunge. Produced by Ross Robinson, it tackled dark themes like child abuse and addiction, resonating with vocalist Jonathan Davis's personal experiences. Life Is Peachy (1996) marked a raw and volatile chapter in the band's history. With producer Ross Robinson at the helm, they created an abrasive yet emotionally charged collection of tracks exploring themes of trauma and betrayal. Follow the Leader (1998), produced by Steve Thompson and Toby Wright, showcased Korn's commercial success and innovation within the nu metal genre. Featuring collaborations with notable artists, it solidified their reputation as pioneers in the field. The album Issues (1999) further cemented Korn's influence on modern metal. With tracks like "Dead" and "Falling Away from Me," they pushed boundaries lyrically and sonically, leaving a lasting impact on fans and fellow musicians alike. ========== Korn's Issues, released in November 1999, was a significant album in the nu metal genre. Produced by Brendan O'Brien, it showcased Jonathan Davis' refined vocals and a heavier sound. The album was promoted innovatively with free MP3 downloads and charitable initiatives, which raised over $250,000 for charity. It debuted at number one on the Billboard 200 and sold over 13 million copies worldwide. The album featured hits like "Falling Away from Me" and "Make Me Bad," solidifying Korn's dominance in late-90s metal. This was followed by Untouchables in 2002, which marked a sonic evolution and featured the Grammy-winning single "Here to Stay." The album debuted at number two on the Billboard 200 despite internal tensions. Take a Look in the Mirror, released in 2003, was Korn's sixth studio album and the last with the full original lineup before Brian "Head" Welch's departure. It returned to their aggressive roots and featured standout tracks like "Did My Time" and "Right Now." The album received mixed reviews but was certified platinum. See You on the Other Side, released in 2005, marked a transformative period for the band. It was their first project without guitarist Brian "Head" Welch and the last with drummer David Silveria. The album explored new sounds, including industrial and electronica influences, and debuted at number three on the Billboard 200. Korn's untitled eighth studio album, released in 2007, marked a pivotal moment in the band's evolution. It featured session drummers Terry Bozzio and Brooks Wackerman, with Jonathan Davis contributing drums as well. The album broke away from traditional titles and debuted at number two on the Billboard 200, certified gold in the U.S.Korn III: Remember Who You Are, lanzado en 2010, marcó el regreso de la banda a su sonido crudo y agresivo de sus primeros días, con Ross Robinson como productor y Ray Luzier como baterista oficial. El álbum, grabado de manera analógica sin Pro Tools en un espacio llamado "the catbox", enfatizó la simplicidad y el ambiente sobre la producción pulida, debutando en el número 2 en la lista Billboard 200. The Path of Totality, lanzado en 2011, fue un álbum que marcó una salida audaz de las raíces nu-metal de la banda, fusionando rock agresivo con influencias electrónicas dubstep, y colaboraciones con productores como Skrillex y Noisia. A pesar de recibir críticas mixtas, el álbum ganó el premio Album of the Year de Revolver y encabezó la lista Dance/Electronic de Billboard. The Paradigm Shift, lanzado en 2013, marcó el regreso del guitarrista Brian "Head" Welch a la banda, y fusionó la agresión melódica de Issues y Untouchables con un borde moderno refrescado. The Serenity of Suffering, lanzado en 2016, fue un poderoso regreso a las raíces más pesadas de la banda, con voces intensas y una instrumentación agresiva, y debutó en el número 4 en la lista Billboard 200. Finalmente, The Nothing, lanzado en 2019, es el décimo tercer álbum de estudio de la banda, producido por Nick Raskulinecz, y refleja el dolor personal del vocalista Jonathan Davis después de la muerte de su esposa y madre, canalizando su dolor en performances crudas y catárticas. ==========Korn's Discography: A Journey Through Nu Metal Evolution ========== The Nothing, released with a Metacritic score of 83, brings emotional depth and nu-metal intensity, debuting at No. 8 on the Billboard 200, solidifying its status as one of Korn's most impactful works.
